## My Life as an Afterthought Astronaut Bill Myers

Just 'cause I didn't follow the rules doesn't make it my fault that the Space Shuttle almost crashed. Well, okay, maybe it was sort of my fault. But not the part when Pilot O'Brien was spacewalking and I accidentally knocked him halfway to Jupiter, or when I wound up in a space suit and nearly became the first human satellite to orbit the Earth; you can't blame that on me. Well, okay, maybe that was sort of my fault, too. So begins another hilarious Wally McDoogle misadventure as our boy blunder stows aboard the Space Shuttle and learns the importance of OBEYING THE RULES!
