This powerhouse author team brings their award-winning teaching styles, research, and professional consulting experience to help students better understand and use Organizational Behavior to flourish both professionally and personally. Kinicki/Fugate, *Organizational Behavior*, 1e uses a conversational writing style with a visually engaging layout to appeal to todays student. This is presented through the Problem-Solving Applications (30 total boxed items appearing throughout each chapter) that present a business situation. Students work through these scenarios in the Your Call feature a three-step problem solving approach. These are designed to help students apply concepts and strengthen their problem-solving skills. The self-assessments are integrated in the content as well as assignable in Connect through the Interactive Application Self-Assessment tool. These have been hand picked and researched by the author team to ensure quality and research-based assessments.
