The Tycoon's Triplet Baby Surprise Holly Rayner

Sean Lawson didn't think he had time for a baby. Does he have time for three?

It all starts with a stray cufflink, dropped by the irresistibly handsome tech billionaire Sean Lawson, and held in safekeeping by talented attorney Charlotte Waters.

Now, with Sean under legal attack from an old rival, Charlotte finds the perfect opportunity to return the cufflink to him: by pulling some strings and inserting herself onto his legal team.

Sparks fly as the gorgeous billionaire and his newly appointed attorney get reacquainted. Briefly abandoning herself to the desire she's felt for ten years, Charlotte finds herself falling hard for her boss—and compromising her professional ethics in the process.

As the legal case picks up steam, Charlotte receives some shocking news: she's pregnant, with not one, not two, but three of Sean Lawson's babies! With the court case in jeopardy, and their fledgling romance on the line, can they overcome the forces that seek to drive them apart, and **become the united, loving parents they never expected to be?**

This is a standalone billionaire romance novel from best-selling author Holly Rayner. It contains a guaranteed HEA, and a tale of romance that will capture your heart. As an added gift, it also includes the first few chapters of Holly Rayner's prior novel The Sheikh's Online Bride, and the entirety of The Prince's Scandalous Baby, absolutely FREE!

Charlotte has always been in awe of Sean every since she heard him speak at Yale as a high school senior seeking admission there. Sean is a billionaire being sued and now Charlotte has the opportunity to reach for a dream. After a shaky start she gives him the cuff link and leaves but it brings back the memory of when Sean first saw her as a young girl. Both of them are in calmer states after the blow up in his office and Sean ask's Charlotte to be the lead attorney for his case. As the two work together and get closer a relationship develops. Their intimacy leaves Charlotte with quite the surprise

Triple the pleasure

The Tycoon' Triple Baby Surprise started out a little slow, but gathered speed as the story developed. The main characters were well defined and likable. The villains were shallow and unpleasant. The HEA was very satisfying. The bonus book was a pleasant surprise and I enjoyed reading it, too.

So close, yet so far... that was this book for me. It had the makings to be an excellent story, good characters, decent story line.... but it fell flat, it missed the mark on passion, lust, intrigue.... it's like having all the ingredients for the perfect meal but not seasoning it so the food is tasteless and bland. I liked this story I did, but the interaction was forced it wasn't natural and that was disappointing.

Charlotte Waters has been in lust with Sean Lawson since she was 18 years old and first heard Sean speaking at Yale. In a twist of fate she finds his dropped cuff link and holds on to it over the years, discreetly following Sean's career.

Years later Charlotte graduates from Yale and moved to Seattle to work for a Law firm specialising in Tech Law. When her boss asks her and another colleague to take on a special case she is more than willing especially when she finds out Sean Lawson is the client.

Charlotte finally has her chance to spend time with Sean after all these years, but she's torn between being professional in the Capacity of his lawyer and being a female attracted to him. They spend a night together and months later Charlotte is pregnant but doesn't know how to tell Sean, and when she does attempt to everything goes wrong and her job is put on the line. It takes an accident to find out she's expecting triplets, can she be a single mother? Can she be a lawyer? What will Sean do when he knows?

This is book six and the last book in More Than He Bargained For Series and features tech billionaire Sean and his attorney Charlotte. She first saw him when he spoke to her college and she was instantly attracted. She didn't get to meet him as his security rushed him away and in the process he lost a cuff link, which she picked up. Ten years later she returns the cuff link and manages to get put on his legal team. They have one night of passion and he seems to discard her. Wow, she finds out that's she's pregnant and with triplets. Lots of drama, suspense and surprises. No spoiler but there is an HEA. I read an advance copy and voluntarily chose to write a review.

The Tycoon's Triplet Baby Surprise (The Tycoon's Unexpected Baby Book 2) by Holly Rayner
Charlotte Waters became infatuated by the guest speaker Sean Lawson at a Yale. She knew he would become something exceptional one day. As she makes her way to him, he is jolted away by reporters and in the mist of it all he loses a cufflink. Charlotte treasures the cufflink and keeps it with her for years as she climbs the corporate ladder as a lawyer. When Sean is under legal attack from an old rival their paths cross again, in more than one way, leaving Charlotte pregnant with triplets. With the court case in jeopardy and Sean not being available due to forces driving them apart, can they come to some sort of an agreement? The characters development for me was a bit off. While I enjoyed Charlotte character I was not mad on Sean. He had a great sense of humor, but he was not passionate and seemed to be okay with letting things happen. I think I expected more from a billionaire. The plot was great, but somehow it just did not grip you. The story was predictable but cute. Overall it was an enjoyable read.

Charlotte saw Sean Lawson give a speech at Yale years prior to his coming to the law firm she currently works at. She knew that she wanted to work his case but the firm's owner's daughter ended up with it. When it landed in her lap she took the meeting with Sean but it bombed because she hadn't had time to prepare however before she left she returned a cuff link that he lost at the speech he had given at Yale. Thinking that would be the end of that and her career Charlotte left. She was stunned the next day when he called and asked for her to be his lawyer. The attraction between them landed them in bed after going out one night together. Charlotte thought they had started something but then Sean started avoided her and calling her co counsel regarding his case. When the unthinkable happens and she finds out she's pregnant she attempts to

talk to him privately but gets nowhere. When Sean finally coming to the office he embarrasses her with his comments and she tries to slip a note to him about the pregnancy but doesn't realize the note gets into the wrong hands. What will Charlotte do about her job when her pregnancy can't be hidden any longer? Will Sean step in and help or leave her on her own?

This was a great story I couldn't put it down. The chemistry between Sean and Charlotte is instantaneous and intense. If you haven't read anything from this series then you should grab this one you won't regret it.

I voluntarily read and reviewed this book. I enjoyed it so much I ended up buying it.

Laila Viking says

This story has a nice storyline and plot. The characters are well described. I would have like them to develop more. Sometimes I felt they lacked depth and it felt forced especially towards the end. Therefor the passion and chemistry was that emotional as it could have been.

An enjoyable story that has a nice story and is worth the read.

Modern says

I'm not sure where this book lost my attention. The characters as individuals were good but together I feel like there was something lacking or even forced in their chemistry. Their story was decent but wasn't firing on all cylinders. Lacking in passion or mystery or drama or all. It had the makings of something great but fell short for me.

I received this book for a voluntary, completely honest and non incentivized review.

Charlotte and Shawn were perfect for each other in this book. I thought the book was written well, the characters were developed very well and it was just a sweet clean romance story for you to enjoy.

Amy says

Sean and Charlotte are what dreams are made of. We all want a love worth waiting for and knowing it will be so much better for it. This was an awesome story!!!

Patricia Baxes says

A really sweet read, with a great storyline; fully developed characters; some interesting plot twists; and a wonderful HEA. You'll definitely want to add this one to your library! (I voluntarily reviewed an advance

reader copy of this book and really enjoyed it.) ♥♥?

Not one of my favorites by Holly. A needy girl even after 10 years (no this is not a second chance story). A man that is too full of himself and acts like a total ass, but somehow ends up acting redeemable in the end. A selfish woman and secondary character that for some reason make the first set of characters lives hell. And no great sex scenes!!

I voluntarily read an advance reader copy for my honest review.

Paula Legate says

This was a really sweet, short story. For Charlotte it was love at first sight. Sean lost a cuff link the day they meet, and then the two got separated. They never got the chance to say a word to each other. She picked up the cuff link, and kept it. Many years later, she got to meet him and person. She returned the cuff link.... when she became his lawyer. the chemistry is there from the beginning. the book was entertaining.

Kathleen says

Charlotte and Sean met ten years ago when he gave a speech on Yale's campus while she was a visiting senior in high school.

Flash forward 10 years and Charlotte is a tech lawyer whose firm has been asked to defend Sean against a former friend.

Charlotte can't forget the impression Sean made on her and she allows her fantasy of him to get the better of her. They have one very hot night, but then Sean seems to ignore her.

As Charlotte tries to do her very best for Sean's case, fight the jealousy of the boss' daughter and deal with her emotions from her night with Sean she finds out something about herself.

When Charlotte's secret comes out and she is fired she also realizes a huge secret of the boss' daughter. Can Charlotte save Sean's company? What about her secret?

I was given this book for an honest voluntary review.
