Clay Ana Leigh

From bestselling author Ana Leigh comes the first in a dazzling new series, as the rugged Fraser men find love and passion in the Wild West. When Yankee beauty Rebecca Elliot discovers that single women aren't allowed on the wagon train bound for California, she takes desperate measures. Spying handsome Clay Fraser, she puts her flirty plan into action and wakes, the next morning, with a wedding band on her finger.

Clay Fraser, a former Confederate soldier, is horrified to discover that he somehow got married last night -- and worse, to a Yankee. Worst of all, his new wife refuses to share his bed. Sparks fly and attraction burns as the wagon train heads west, but it will take a love as expansive as the Western sky to show Rebecca and Clay how to claim the passionate new life that is their destiny....

2.5. Started off well, but then it got monotonous. Pretty tame with the steaminess.

Dawn ♥ romance says

Very good story about American frontier in 1865 and a wagon train going from Missouri to California. I liked the pace of both the action and the romance. Yankee Rebecca can't join wagon train as a single woman so tricks Rebel Clay into marriage.

Carisa says

An average reading, didn't like the writing style, forgettable characters.

HERO is not clearly defined.

I really enjoyed this one. Becky has to get west and the only way she can do that is on a wagon train with a husband. But one problem no husband. Oh what is a girl to do. Enter Clay Fraser, Becky picks him out of all the men in Independence to marry because he is clean. Ok, new way to pick a hubby. But after tricking him into marriage they eventually fall in love. Just a really cute story. I am really enjoying Ana Leigh's work.
