## Fat Mate Sam Crescent

All Zadie Cox has ever wanted was to find a mate, fall in love, and have lots of kids. The problem is ... no one wants her. The pack doesn't care for a woman with curves, and no man wants "a fat mate", which is what they've called her.

Dante Locker hates pack politics. When he's invited on a month-long visit to a neighbouring pack, he knows there's a catch. The alpha has a daughter—but there's no way Dante's mating with her. Then the moment he enters the town square, the redhead with the killer curves grabs his attention. He wants her, and Dante's a rich alpha, a businessman, and he always gets what he wants.

No man has ever wanted Zadie, but there's something about this new alpha. The way he walks, talks ... and his devotion calls not only to her wolf but to her. Can Zadie leave the pack that she has called home? Will she fall in love with Dante? Or is this just a month-long fling?

## From Reader Review Fat Mate for online ebook

### Natasha Mahadeo says

#### Different, sweet and Fluffy.....

Enjoyed my first read by Sam Crescent. She writes about a very touchy subject and does it well... I can't wait to see what's next....

---

### XxTainaxX says

A man wants what a man wants.

*“If you don't go after what you want, you'll never have it. If you don't ask, the answer is always no. If you don't step forward, you're always in the same place.”. ? Nora Roberts.*

---

### Elysian Fields says

First off, the story was sweet and I loved the overall message it provided. I have no issue what so ever with the title, the cover or the plot of this story. If I was grading on those this would be 4.5 star book.

However.... there were so many editing errors, repetitive sentences, mis-identified characters that it really detracted from the story and the message. There were times I had to re-read a paragraph because I was confused. There was also a lot of thoughts or sentences that felt copy and pasted, I must have read the same interaction three times in a few pages. In the end, the bones of the story were there and the thought and feelings were seen, but the editing and confusion made this a miss for me.

---

### Melissa says

#### Great job!!!

This story grabs you at the throats and sinks the claws in. In fact this story unlocks a lot of things that is at the heart of the matter. Body size shouldn't matter, the cruel things that can be said slices at a person, overcoming what we call body shaming is difficult and takes a strength of will to own it. Finding that special someone who loves you for you, well that is a dream come true. This story is special in many ways, great job.

---

### Fatimama says

What an awful title. The story was ok. Am glad Dante (H) was a perfect alpha possessive hero.

---

**Milena says****Loved it!**

Great storyline! Loved that it focused on the relationship between couple and the pack. I love shifter stories and this one was great. Zadie gains not only a mate but also an appreciation for being true to who she is. Dante is an awesome Alpha and a good person who understands how to give Zadie the love she needs. Definitely recommend reading anything Sam writes!

---

**Puna says**

If you can get past the title you'll find a wonderful, loving H and a sweet, strong h.

---

**Kiki says**

Nah, I just can't get past this god awful title, or the blurb. And the cover doesn't help with a first impression either.

---

**Eve Recinella (Between The Bookends) says**

Ok so I am leaving my gifs for this one because the title and cover are still god awful, but I read this one earlier and enjoyed it quite a bit. The hero was just about perfect. The heroine was sweet. Although I do wish she would have grown a bit more backbone concerning her pack a little earlier than she did. No OW/OM drama. No angst. Some hot sex scenes and a sweet epilogue.

That said, the author seemed a bit confused on how she wanted to portray the pack. We are told (repeatedly even by the heroine herself) how everyone LOVES the heroine. How everyone respects the heroine...blah blah blah. But in the same breath, we hear about how no one wants to mate her. How they call her the "fat mate." How they make fun of her. I was left scratching my head because that sure doesn't sound like a nice group of people to me. In fact, the only one that seemed genuine (apart from the heroine's family) was the bitchy pack good time girl who owned her attitude and behavior.

In any case, this author can be very hit or miss with me, and this one was definitely on the hit side of the fence.

---

### **Neringa Neringiukas says**

This was another great story in Alpha Shifter Collection series. It's mustread for anyone, but especially for insta lovers. Because Dante, our hero, claims h from first glance. Loved how he felt about Zadie. He was really protective of her, so was really pissed when found out about how males treated her. But those bitter lonely years weren't important to Zadie anymore, since Dante stepped into her life and she got everything she ever dreamed about.

---

### **Nerd4life\_94 says**

Not a fan of the title, but I loved the story!

---

### **Kalyee says**

This book suffers some a serious lack of editing. I'm not one to usually complain about errors, but some of these were so glaring( like switching who's talking in the middle of a sentence) that I just can't ignore it.

---

### **Never Stop Reading or Dreaming says**

#### **Review**

I always like the concept of Sam's stories. However, there needs to be some serious edits done with all of them. I'm not sure how she has a publishing house but no edits done. Even small things like a question mark. Sentence structure is all over the place.

That being said. I love the ideas Sam has. Like this story here. I quite enjoyed the whole concept of it. And I hope Luke ended up with Dante's sister. Maybe that will be the next book.

---

### **Nikki Horn says**

#### **Good read!**

I love Sam Crescent stories and especially her stories of full figure women! The title didn't bother me and I think it took a lot of courage to give it that title. Well done!!

---

### **GimmeAllTheWerdssss says**

4 sweet stars

Good Hero who didn't even look at other women. Strong heroine who didn't let what people thought of her bother her.

HATED THE TITLE!
