Mind Play Kate Allenton

When the oldest Bennett sister and popular socialite, Claire Bennett discovers several thousand dollars worth of donations missing from her charity fundraiser, she will do almost anything to clear her name and find the person responsible. Even if that means relying on the one man who could potentially break down the barriers she's erected around her heart.

Bodyguard and family friend, Butch Edwards knows all about the Bennett family secrets considering his boss married one of the sisters. When Claire Bennett's morals prevent her from using her gifts to save herself, Butch steps in and offers up his services in any way the blonde beauty will take them.

Can she find the culprit behind her string of bad luck, before Butch breaks down every barrier she's put in place?

Or will his wild and flirty ways, scare her off before they can uncover the secrets around the threat?
