## **Moving Pony** Jeanne Betancourt

Sandy and her mother are moving to a new town. Traveling on horseback, Sandy is riding her pony, Ruffles, and her mom is riding Willow. When Willow hurts his foot, they are invited to spend the night at Pam's house. The Pony Pals join Pam in helping Sandy adjust to the new move and new friends.

Very good book

---

### **Samantha says**

This was an enjoyable book, and I could definitely understand Sandy, having had to move to a new town as a young teen, away from my best friend.

Though, I will say this book was a little predictable, as I knew what Sandy was going to do before she did it. I think it only bothered me because the Pony Pals were so oblivious to it, even though it seemed so obvious. Not to say I blame them for not knowing what Sandy was going to do, but it made the book just a tad less enjoyable. Though, it's still a good story, and the conclusion was great.

Note to self, check and see if I have the collectible cards.

### **Twyla says**

Sandy has to move to Reston and she doesn't like it. when she goes missing the pony pals got her to move to her new home in Reston. Auryn 8yo

---

### **Alisha Brook says**

Pony Pals was one of my favourite "horsey" series growing up. Jeanne Betancourt has a writing skill that makes the books easy to read and interesting. I read many of the series and I was enthralled with each new story.

---

### **Megan says**

I absolutely loved this book and have probably read every book in the series.
