STOLEN, Book Sixteen in the Witches of Santa Anna series of novellas...

In Season One of The Witches of Santa Anna, Natalia and Cam had to fight to be together. In Season Two, they fought even harder not to lose each other. But in Season Three, they'll find that staying together is harder than they ever imagined.

After undergoing their most perilous journey yet, Cam and Natalia return to school at Santa Anna and try to resume high school life as if nothing's changed. But in reality, everything is different.

Brody and Cam's friendship is fractured. Aiden is changing. The Triad is back with Raine at the helm and more powerful than ever. Natalia's mother has developed a mistrust for Cam and will stop at almost nothing to keep the two apart.

And Cam and Natalia will be forced to look deep into their hearts and decide if they can stay together when everyone and everything is against them.

With new revelations, new enemies, and new surprises, Season Three of the Witches of Santa Anna proves that true love conquers all and that nothing – not even pure evil – can change your destiny....

## **From Reader Review Stolen for online ebook**

### **Amanda Pomeroy says**

Omg omg omg I can't believe it ended that way!!

---

### **Shannon Hertz says**

Why are these separate books and not just chapters in ONE book? I like the storyline but I hate that the authors decided to split it up the way they did.

---

### **Amanda Pomeroy says**

Three stars because Brody's back :)

---

### **Rita says**

It was good, just getting a little bored with the 20 pages.

---

### **Nichole says**

Stopped reading after this. the series isn't finished

---

### **Ronda says**

I think the only difference for me at the moment is that I've become more of a Brody fan than Cam, although in hindsight I think that happened some time back... I'm a little tired of the short stories, characters come and go but they all seem the same... I think I continued reading these because I had them, not bothered if I don't get the next installment though!

---

### **Angi Wilson says**

I just wish these were longer. The story is great!!

---
