Book 8 in the #1 bestselling Wishes Series

'True love is still true, even if you can't live it the way you want to.'

No one ever looks for cracks in perfection, and Adam Décarie is no exception.

He loves his wife and he loves his children. As far as he's concerned, he doesn't have a problem in the world.

After a difficult stint in New York, Adam, Charli and Bridget settled back into their free-range life on the beaches of Pipers Cove with ease.

Every day is a joy, and when their precious new baby arrives, everything is perfect.

Adam feels content, blessed and happy.

But Charli feels nothing at all.

And that's a problem.

12/28/17 - It'll be out in June ???

See, I remembered that both Silk Queen and Stone Roses were going to be released in 2017 so I went into iBookstore to make sure I got them both pre-ordered. Now, I see that Stone Roses will be released January 2018 ? I just have to hang in there. It'll be worth it! ?
