## **Talons of Eagles** William W. Johnstone

Raised by the Shawnee, Jamie MacCallister fought his way to manhood from the Alamo to Colorado to the gold of California. Now, the U.S. is divided--North versus South. With his own sons fighting on opposite sides, Jamie leads his Confederate marauders into battle. But when the guns of war fall silent, he must face another enemy who has vowed to bring him death. HC: Kensington.

### **Jim Shannon says**

No spoiler alert here. Another fantastic book in the series. The author is deft at creating mood and atmosphere.

---

### **Kevin Key says**

McCallister becomes a civil war Col. He and Kate have 43 grandkids. But tragic.

---

### **Cws says**

W Joh

---

### **David Ferguson says**

Started with a historical fiction re-run of the American Civil War. Then it got better.

---

### **Daniel says**

I have read many of a book, many not included on my list, and I will say the writer is a great writer; but he could have allowed the main character and his wife peace from hate and lived the rest of their life out together. I am finished reading his work.

---

### **larry brashear says**

#### **Good!**

I did not finish this book because if there was ever a war to hate it is the Civil War. It should never have been fought!

---

### **Billy G. Crow says**

#### **Okay**

Check out the new one of those things where the same way that I could have done all of those

---

**Tori says**

Excellent series!

---

**Timothy Boyd says**

Another great western series by Johnstone. This one follows the adventures of a family for generations as they help build the American frontier. Recommended

O

---

**Jim says**

Enjoyed this novel which is the third in this series. I know that I will enjoy more of this series.

---

**David Carraturo says**

I enjoyed this story and the concentration to detail and references to historical was very well done. I am just always taken aback by super-hero type characters, and while a Civil War/Wild West tale, Jamie Ian could just have easily been named James Bourne. Good read though.
