Melissa Bennett says

Amy Brown does beautiful drawings on faeries. There are woodsy faeries, elegant faeries, mischievous faeries, etc. She also does beautiful backgrounds, dragons and such. Very fine detail on all of her work.

As I'd mentioned in my previous review of the 1st book of Amy's work, it's a MUST-HAVE!!! Our whole artistic family is obsessed with fantasy art & this was an awesome addition to our collection, especially considering we have the 1st one. I think it would be awesome to see more of these, considering how many pieces she has done. Too bad there's not a volume 3, 4, 5...
