This kit has everything you need to launch The Community Bible Experience in your church!

The Community Bible Experience, featuring *The Books of the Bible* is a church-wide campaign that is designed to help each and every person in your congregation read through the entire Bible in a fresh, new way. This flexible Bible engagement campaign consists of four separate journeys through the Bible—the New Testament, the Covenant History (first 5 books of the Bible), the Prophets, and the Writings. Your congregation will experience three 40-day reading plans and one 50-day reading plan that can be done sequentially one after the other or on a schedule that suits the needs of your church. The books are accompanied by curriculum for all ages, including adult small groups or Bible classes, student and youth ministry, and preschool, early elementary, and upper elementary children.

The Complete Church Kit contains one copy each of the following:

All four *The Books of the Bible* volumes for adults and students—the New Testament, the Covenant History, the Prophets, and the Writings
