## French Quarter Kisses Zuri Day

Can this celebrity chef keep his past hidden?

Not with a beautiful society reporter uncovering his secret desires!

Pierre LeBlanc is a triple threat: celebrated chef, food-network star and owner of the Big Easy's hottest restaurant. Journalist Rosalyn Arnaud sees only a spoiled playboy not worthy of front-page news. Their sizzling attraction tells another story. But when she uncovers his secret, their love affair could end in shattering betrayal...

## From Reader Review French Quarter Kisses for online ebook

### LaToya says

As a New Orleans native, I was so excited to see author Zuri Day set her new novel, French Quarter Kisses, in my hometown. Day handles the love story and trauma of celebrity chef Pierre LeBlanc and journalist Rosalyn Arnaud with a delicate tenderness that romance fans will appreciate. Pierre is the owner of the hottest restaurant in New Orleans and New Orleans Beat reporter Rosalyn is tasked with covering his story. While covering Pierre's journey, he also steals her heart. Can their love survive betrayal and loss? Check out French Quarter Kisses to find out how it ends.

My favorite part of the novel is how Day covers Hurricane Katrina from the perspective of the characters demonstrating the plethora of emotions that many of us who experienced the storm went through and how we persevered. My only pet peeve with the novel is the overuse of the term "crayfish." No one originally from New Orleans would use this term. It made the characters slightly less believable as native New Orleanians. This is something that will only bother Nola citizens, though.

### Guilty Pleasures Book Reviews says

It is never a bad thing to read a book set in New Orleans, a city that most find it difficult not to love. Zuri Day's French Quarter Kisses brings a man "home" to New Orleans over a decade after being displaced following Hurricane Katrina. Intriguing, fresh, and satisfying made this book an entertaining read.

Pierre LeBlanc has never forgotten the city of his heart and returning to New Orleans over a decade after he left, he is excited about opening his own restaurant. Losing his grandmother and for all he knows his mother to Katrina, Pierre is ready to be back home and bring his love of Creole cooking to the French Quarter. And while he'd rather forget everything he lost in the storm, he is taken with reporter Rosalyn "Roz" Arnaud and agrees to be part of her series on Katrina survivors.

I loved the set up of this book and the fact that it showed despite Katrina being over a decade ago the city has never forgotten. Pierre's success was the kind of story that gives people hope and while there was more to his story, Roz worked hard to help him and his younger sister with closure.

Ms. Day's descriptions made me feel I was in the city which was a plus and Pierre's background and life kept me engaged. I was a bit disappointed in some of Pierre's decisions, but I also understood that he was deeply affected by the incidents that shaped his life and it was a touchy subject for him.

One thing that was very easy to feel was the intense heat between Pierre and Roz, but that grew into so much more as this book progressed.

Zuri Day offers up a satisfying romance set in a much beloved city making French Quarter Kisses not to be missed.

## **Michelle says**

Another great series starter. Can't wait for #2!!!

---

## **Toni says**

Very good! I especially love how the aftermath of Hurricane Katrina was incorporated into the story. Pierre, Lisette and Rosalyn were personally affected and how they dealt with it was really touching.

---

## **Carolyn J. says**

### **Nawlins love story**

The love of the city of New Orleans was covered well in the story. The aftermath of a national disaster brought together a love story. Pierre and Roz were a perfect match..

---

## **Maria Rose says**

French Quarter Kisses by Zuri Day is a sexy and emotional romance featuring a chef haunted by his past and a reporter working to honor the memories of those lost in Hurricane Katrina.

Pierre LeBlanc is a celebrated chef and food network star but his humble beginnings in the Ninth Ward of New Orleans tell of what he's overcome to become successful in his career. He's just returned home to open a new restaurant in the French Quarter, one which is quickly a top destination.

Reporter Roz Arnaud is looking for feature stories of residents of New Orleans and their memories of Hurricane Katrina. While most are interested in interviewing Pierre for his cooking talents, she knows that the celebrated chef left New Orleans at the age of fifteen with his sister during the days of devastation, and wants to tell the more human side of how he survived the tragedy. Their first meeting definitely doesn't go so well, but they quickly find their footing with each other – and discover a mutual attraction. When Roz decides to help Pierre look for relatives lost in the storm, it opens up a secret that neither is prepared for. Will it spell the end of their fledgling relationship?

Miniseries: Love in the Big Easy

---

### **Gay Harris says**

Pierre should have known that Roz would not do what he accused her of. Every step of the way she took his feelings into account. Ma, helped him see that.

Both Pierre and his sister, Lizzy survived and thrived despite the hardships they endured and despite basically being orphans.

This was a great and easy read.

---

### **Reading in Black & White says**

There's no rating for this book. It didn't catch my attention during the first few chapters so I stopped reading.

---

### **Geri Reads says**

#### **3.5 stars!**

I definitely need to read more Zuri Day books.
