Peter Robinson

Gallows View / A Dedicated Man / A Necessary End Peter Robinson

'If you haven't caught up with Peter Robinson already, now is the time to start' INDEPENDENT ON SUNDAY

Former London policeman Alan Banks relocated to Yorkshire seeking some small measure of peace. Unfortunately, depravity and violence are not unique to large cities. His new home, the quaint little village of Eastdale, seems to have more than its fair share of malefactors.

In this collection of Inspector Banks's first three cases in Yorkshire, CWA Dagger in the Library and Edgar Award-winning author Peter Robinson introduces a detective as brilliant as he is complex. These intricately plotted, gritty novels of suspense lay the foundation for a remarkably acclaimed detective series.

'The Banks novels are the best series on the market. Try one and tell me I'm wrong.' STEPHEN KING

Alan Whitlam says

All good reads

Cecilia says

A sharp, methodical mystery from Canadian writer Peter Robinson. This is the first mystery featuring English cop Alan Banks...who has subsequently become a continuing character of Robinson's. Set in Yorkshire, Banks recently made the move from London to the North of England...and is still getting used to small-town ways. Robinson does a great job of setting Banks up as a character we want to get to know better. We feel comfortable with this man and like him...because he's human. He has flaws, bad habits and is not always Super Cop. This book deals with two crimes...one involving a peeping tom and one a murder. Robinson does a great job of letting Banks unfold both cases. A superb mystery with a fascinating new police character!

Miriam says

My new favorite mystery writer. I've read a number in this series, out of order, and have now. Gone back to fill in the gaps.

Tom says

Insp. Banks #1, 2, 3

Martin says

3 1/2...the tv show is watchable ergo the books are too....like reading the scripts for the next show. The English just do this genre so well....imagine all those murders in those quiet villages. Easy writing makes for ideal vacation reading

Curtis says

Alan Banks is a great character. Not as down and out as Rankin's Rebus, but still a bit of an outsider. The

descriptions of Yorkshire countryside are excellent, as are the pub life :) The tales have you guessing and keep you engaged. Especially the last one, A Necessary End, as you don't know the answer until, literally, the end.
