**Angela Faulkner says**

Does anyone have an idea when book 2 will be coming out?

**Taz Will says**

Fire! This was fast paced and kept the action coming by the page. I couldn't put it down once I made it past page three. Kadisha is surrounded by fools and people she really don't know if she can trust. Her family is a hot mess! I hope her father is alive but I can also see him being behind all this but now knowing that they'd go at his kids the way they did. Big Bee I don't think had anything to do with it but I also don't think Mellow has anything to do with it. Stevie I find him suspect though. I can't wait to read the next one.

**Gangster**

Kadisha has to grow up really fast. I feel bad about what happened to her & her family. I hoping Little Ike will pull through. I wonder if Kadisha Aunt is going to try and get all the money before Kadisha have a

chance to get it

### **Renee says**

Man I felt so bad for Kadisha after what happens to the family. This book was fast paced and a page by page twist, never know who you can really trust.

---

### **Wilki J says**

Living a sheltered life, Kadisha has never wanted for anything. As she sets to embark on new ventures in her young adulthood, tragedy befalls her family and herself. When people to trust are few and far in between, she must enact some life lessons her father taught her and take on the role of a gangster's daughter.

This was a good read which had an engaging plot. I like the fact of the 'who done it' theme going on throughout which kept the storyline flowing. There were a few issues with errors. Also I do not like when the spelling of a character's name gets changed/misspelled or when the wrong name is used in a scene. Other than that, it was a good read.

IT WAS A GREAT STORY LINE THE REASON FOR 3 STARS IT END BEFORE IT TRULY GOT STARTED

#### **Great read and a page turner at that!**

I was happy that someone pulled through all the tragedy that had befallen the Spencer family. With no one to trust and nothing to live for aspect revenge. A gangster daughter is left with nobody but herself.

Gripping from the very first page. Pretty fast read that I couldn't put down. I felt myself on the verge of tears when I read what happened to her and her family. Definitely looking forward to her turning all the way up in part 2. Totally #Teammellow so I hope he is who he is portraying himself to be. Great Job Leo.

### **Katya says**

The story wasn't bad- good characters, good dialogue, and enough of a draw to get the reader really invested in events. Solid 3 star read. Lots of serious typos though, like "put" instead of "pot" and characters' names being misspelled, which all distracted from the story. Also, a heads up- there's no justice served or resolution in this book... you will have to buy book 2 or forever live in uncertainty...

### **Mirrlees says**

Wow, I loved this story. Can anyone be trusted, mother, auntie, Mellow or Steve...huh???? Just a question cause the truth will come to light eventually and Kadisha will make the right choice, hopefully...Or will she have a comeback. :-). Let's hope that what her father tried to instill in her is used and fast at that. Excellent read and ready for part 2.

#### **Good**

I love this book, and I can't wait to read the next book and see what happens. I'm a gangster.

---

### **Denise Gilliam says**

Omg this book was off the chain from the start. I love this book. I love the twist and turns of the book. I didn't like what happened to the kids but I understand the concept of the story. Now on to part 2 to see what happens and see if the truth will come out. 5 star banger. Great job Leo Sullivan.
