Latter Rain Vanessa Miller

Hustling wasn't easy, but Isaac did his best. He ruled the underworld like a predator – a self made CEO of the streets. But one woman dared to show him a better way. Her way changed all the rules. Now, all Isaac wants is to live for God and win back his baby's mama, Nina Lewis. But when the past catches up with Isaac, and tragedy creeps in his back door – all bets are off.

Can a hustler change his ways or will tragedy cause Isaac to turn back to his former condition?

Marya says

In their continuing romantic saga, Isaac, a former hustler, is trying to win the hand of his baby's mama, Nina, while learning to live for the Lord. This book covers Isaac's release from prison, his entering a Chicago ministry, and his attempts at getting back together with what he views as his family. This is the third book in the Rain Series, and as such, some characters lack depth (having been developed in earlier books). On the other hand, Miller actually includes entire passages from earlier books if they are needed to understand the plot. That's how the book works overall: The plot is tightly constructed to serve the theme of forgiveness by others and by God, but the characters are put in such a romantic light, they sometimes get fuzzy. It would probably be a good idea to read these books in order.

Diane Rembert says

Isaac Walker is out of prison and trying to live right, but the streets keep calling him. What will he do?

Tiffany says

Another good book where it hits home. You may not go through the exact struggles they go through but they make you think about where you are right now in your own personal walk with Christ. I'm still reading the series but I would refer this to anyone willing to read it.

Jessica Dawn says

Blessings!!

This author is off the chain. I was truly blessed reading this book. The storyline dealing with real issues. The scriptures to back it up. Yes LORD! A must read.

Annie says

All three of the Rain series had me drawn in from the first pages. I love how the angels and devils had to battle it out to save who God had appointed. I recommend this book to all my friends. I will be reading all Vanessa books from now on.

Lisa says

I really enjoyed this Nina & Isaac's story. God's redemptive power showed forth in this novel. I look forward to the next book in the series for sure!

Marcia says

very wonderfully written; the author really knows her spiritual knowledge and can relate it to everyday living. Bravo!
