Holly Letson says

Read this a week or so ago, and it's such a cute story. Pinkalicious overhears her mother talking about a "flower girl" on the phone, and decides she wants to be one.

So, Pinkalicious takes the term to literally mean she is supposed to cosplay a flower. So, she dresses as a pink flower, and her brother dresses as a yellow one. Their father tells them that is not what "flower girl" means.

The children assume that they misheard it, and that it is really "flour girl", meaning that they should toss flour around. Much as they enjoy making a mess of the kitchen, Pinki knows this isn't it.

Finally, her mother explains that "flower girl" means you toss flowers at a wedding, and that she will be one soon. Pinki is excited about this.

Reesha says

An adorable story about a Pink - loving girl who overhears her Mother's phone conversation about parts of a wedding. hearing the word flower girl, this girl participates in dress up, perfume, and flour throwing. Cute and precious, I would recommend this book to all the little girly-girls.

Portia says

I liked it because it was funny and explained how being a flower girl could be confusing. And it had cake in it.

Courtney says

Pinkalicious, Pinkalicious, Pinkalicious, what a name to call your child, but for this bright-eyed little girl it suits her just perfectly. The epitome of a girly-girl with all the frilly touches that every princess needs, this little girl surly must give her parents a run for their money.

"Flower Girl" is an adorable tale about Pinkalicious and her brother figuring out what the term 'flower girl' means? Does it mean that a little girl was born a flower? Can a little girl become a flower? Do you throw flour? So many different versions running through these children's heads, and as everyone knows Pinkalicious is just the girl to figure out the truth.

Wanda says

Pinkalicious: Flower Girl by Victoria Kann is so funny!

PWRL says

SM

Samantha says

Pinkalicious is going to be a flower girl and has a lot of fun figuring out what one is along the way!

From posing as flowers in the garden to a flour fight in the kitchen with her brother, Pinkalicious is as creative as she is confused in this story.

Digital artwork incorporates many types of media for a fun visual effect that adds a lot of depth.
