The Lego Movie: Calling All Master Builders! (DK Readers L1) Helen Murray

Who are the Master Builders? Do they have what it takes to stop an evil LEGO(R) tyrant from ending the LEGO world? This all-new Level 1 reader from DK's levelled reading program follows the adventures of "The LEGO(R) Movie," assembling in February 2014.

DK Readers are a multi-level reading program guaranteed to capture a child's interest while developing reading skills and general knowledge -- compatible with the framework for teaching literacy.

Sarah Adamson says

A fun book for early readers who are fans of the Lego movie. Introduces the main characters and plot line.

Jennifer Davis says

My 8 year old recently borrowed this book from our local library.

In this book, you learn about the main characters of the lego movie. Who they are and what their talent may be or what part they play in the movie. The pages are set up with the characters name at the top, then followed by a bio of the character. There are also colorful illustrations that go along with that character being described.

The book has large print and very easy text. My son had no issues with reading the book, or understanding the information give. Being the huge lego fan he is, it was a book that he had to read.

??Trea says

This is a cute story that introduces most of the characters in the Lego Movie. It doesn't go into too much of the plot, but makes sure that children will be interested in seeing more of the story.

Elijah Libert says

It was funny that everyone was Master Builders in the book, except Emmet, who was a Master Builder, but not a very good one.

Amanda says

One of the strangest books I've read. You must have to be into Lego's to get into all the strange characters. My 2 year old likes Lego's so she liked this book. I wish it had more of an actual storyline though.

Stephanie Phipps says

Awesome Read

My grandkids love this book, even though Nana has to read it. It won't be long until at least one can help me read.

Kathy (Kindle-aholic) says

It's a LEGO Movie book. I'm pretty sure it has an AR quiz. They loved it.

Phillip says

3.5 Stars

Readergirl77 says

Nathan loved the movie, so seeing all the lego characters from the movie in the book was fun for him.

Martin Goranov says

I like that book beacouse you have to find a person caled Emmet, and ther is so many people that I can find Emmet so easy, and he is on the corner .
