## **The Royal Seed: Why the Genealogy of Jesus Is Important to You Today** Judd F Allen

Have you read the entire Bible? Do you skip over parts you think are dull and insignificant? Would you be surprised to learn these passages could be important to you today?

In *The Royal Seed: Why the Genealogy of Jesus Is Important to You Today*, author Judd F. Allen shares his fascinating and diligent study and commentary on the royal genealogy of biblical figures and its significance for believers today. Often ignored and passed over by Bible readers as boring, long-winded, and even extraneous passages in the Bible, Allen offers a provocative thesis that these extensive genealogies have much to teach modern-day believers about the importance and centrality of a kind of royalty in the Bible and among followers of the Lord. Each chapter focuses on a central figure that leads to Christ and eventually to Christians today. Judd reveals many hidden and subtle relationships today's Bible students may not be aware of. Some of the things you'll learn are who Jesus says is the greatest of all men, what biblical book was authored by King Hezekiah's great-great-grandson, and who became high priest Aaron's famous great-nephew forty-five generations in the future.

As heirs in the royal dynasty of the Christ, readers should understand how all parts of the Bible—even those passed-over bits—are of direct significance to how we can develop a better relationship with the Lord. *The Royal Seed: Why the Genealogy of Jesus Is Important to You Today* shows you the way.

I won this book through Goodreads-First reads.

From Adam to Jesus there were 75 generations. His earthly parents Mary and Joseph had identical 34 generations.

It was noted that men of God before the flood were vegetarians . They lived 350 to 950 years. After the flood, they added meat to their diet. They didn't live as long. 148 to 600 years.

The book outlines the different tribes and tells about each one. The author outlines the Three Kingdoms, in a graph form, a very good visual

and also the genealogies are visual.

The last chapter tells us about Heirs. We as believers are joint Heirs with Christ.

Great book. It reminds me of my confirmation years ago.
