## **Winds of Change** Leah Atwood

Patrick Holden was a good-for-nothing scoundrel, taking what he wanted without regards to anyone else. At least he had been, until a few months ago, when fate dealt him the blow he'd been tempting.

Candace Tibbet lived alone with her neglectful father, and when Patrick showed her the merest of affections, she gave him attention if only to feel loved for a brief moment.

Neither expected a kiss to land them in front of a judge, forced to participate in wedding they didn't want. Then, only months into their marriage, a fire left Candace physically scarred for life.

Patrick was consumed with guilt. Candace feared she'll never be loved.

When given the opportunity to walk away from their marriage with no strings attached, will love become the greatest complication of all?

## **From Reader Review Winds of Change for online ebook**

### **Sharon Rudolph says**

#### **Good book**

I enjoyed the first 2 books in this series and was so happy to see this one. I enjoyed reading about Patrick and his journey. This series was wonderful.

---

### **Elizabeth Flanagan says**

#### **Good follow-up**

This was a good follow-up to the Brides of Weatherton, "After the Rain", and "Fire and Ice". Looking forward to future stories about these characters.

---

### **Joyful says**

This is the 3rd book in the Brides of Weatherton and a great Christian romance and suspense story about forgiveness, redemption, and second chances. Although it's a short story, the character development and storyline were well written. This was an enjoyable and fulfilling read that can be read as a stand alone. I was given a copy for an honest review.

---

### **Denice Darland says**

#### **Great short story about family and the frontier**

The people of Weatherton reap a glad harvest when a wayward son finally comes to his senses and comes home

---

### **Kathy Heare Watts says**

#### **FINALLY GETTING IT RIGHT**

I love series book, and this series does not disappoint. Patrick Holden seemed to go down the wrong road after the death of his father, gambling and living wild, as if there was no care in the world. Candace Tibbet has had a rough life, her mother died during childbirth, and her father is neglectful and cruel. When Patrick meets Candace at a dance and talks her into going outside and is caught kissing her, Burl Tibbet, her father, forces them into a shotgun wedding. What happens when after four months they are told that it was all a hoax. Will Patrick and Cadence be able to realize that they have honestly developed feelings for one another or will old habits return and Patrick run? This story has several twist and turns with this mystery, suspense,

and romance. The story kept the pages turning as the tales unfold. The characters and dialogue is heartwarming.

---

### **Darla Damron says**

This story was about Patrick Holden, troublemaker brother, and how through God he was able to change his ways. It was such a fun and interesting story because you are always pulling for the underdog. Come to find out he was miserable but just didn't know how to reach out and get help after his Pa's death.

---

### **Anita says**

I enjoyed the series. Leah has a gift in writing.

---

### **Dawn says**

Enjoyed it! Easy read.

---

### **Jean Rabern says**

#### **Winds of change**

A good story. I liked the end meeting her uncle. I've traveled in Wyoming and liked the scenery so it was interesting. I really like reading about the changes God can make in our lives. Having experienced it myself it's fun to read a story about how He may have worked in other lives.

---

### **Casey says**

#### **Lovely series**

I am very happy to have found this series. More than once I've been heart touched to the point of tears.

---

### **Sandra Rose says**

#### **Great book**

Enjoy all three books of weatherton hope find more from this author. Would recommend these books to anyone. Really enjoyed

---

### **Marla says**

I love this book. The characters are wonderful and I love their opportunity at second chances. I will be looking into other books by Leah Atwood! I was given a copy of the book to read and to provide an honest review.

---

### **Donna Rogers says**

#### **Great read!!!**

Another Great book by Leah Atwood, loving this series, I've read every book she has out and there is not one I don't love...
