**Crown of the Setting Sun** James A. West  
Chains that bind the soul are stronger than iron...

In the two centuries since the Upheaval, the Faceless One's rule has encompassed the world. He is revered, worshipped, merciless, and he stands unopposed....

Sixteen-year-old Leitos crushes stone by day, and by night shivers in a cramped cell. A slave's life is brutal and short, but absolute obedience ensures the gifts of peace and bread.

All that changes when his grandfather rises against their inhuman slavemasters, forcing upon Leitos a freedom that he never sought.

Now, hounded by the Faceless One's demon-born Hunters, Leitos struggles to heed his grandfather's last words: "Seek the Brothers of the Crimson Shield."

Those words are his only hope to discover the truth of his people's enslavement, his only guide to find a secret order of heroes ... and they are the words of a madman.

Reading order:

The God King (book one)  
Crown of the Setting Sun (book two)  
Shadow and Steel coming April 2013!

Other series by James A. West: Songs of the Scorpion  
Reaper of Sorrows (book one)

### **Alexanderi says**

[ It starts off several hundred years after the first book but the main character is still alive because of powers he inherited because of the "god". In this book he and his son are slaves and the Father sacrifices himself so his sun could escape the demon slave holders. after a lot of running he meets a hunter then some more running then two more hunters. These hunters and people who chase runaway slaves

### **Doug says**

Very enjoyable read ... I was a little lost in the beginning, as I had some notion that the story would pick up roughly where the original had left off and it doesn't, but caught my stride soon enough.

There were some gaps in this story that I would have liked to have had filled in, but overall they didn't detract from the overall story that much ... but I think they would have added greatly to the story! Anyway, not a bad book overall ... on to the next one.

---

### **Luke McManamon says**

I greatly enjoyed this book. Huge ending. Well done.

---

### **Justin says**

A good read, character development is so much better in book 2, story is fun and engaging.

---

### **Emmanuel Haastrup says**

#### **Good read**

enjoyable read, looking forward to next book 3 to see how the vengeance works out  
a good steady paced book

---

### **Craig says**

#### **Great**

cuz I'm going to read the rest of the series

cuz I liked it is very good story very well written so read it I am sure you will find it interesting just as I have

---

### **Pierre Armel says**

I really enjoyed the first book of the series and was confused / disappointed by the beginning of this one. It is worth carrying reading though. West manages to craft a solid story even though the heroes of the first one are not to be met. Not your usual fantasy novel with the story of Leitos young runaway slave. A bold choice by the author. Recommended nonetheless Am wondering where the third tome will be going story wise.

---

### **Bryce Wilson says**

#### **Run run away**

A slave from birth and then a chance for freedom, just don't stop running. While a nice tale of trusts and betrayals set in the post apocalyptic world caused by the unleashing of the Powers of Creation it had no other connection to the previous book until the last chapters when the connections were all drawn at one as a pretty little package. To me that just cheapened the entire story line. It would have been more enjoyable to have the truth revealed in bits along the story line.

---

### **Matthew Lindstrom says**

#### **Solid followup**

Awesome story for a second book in this series. The characters seemed real and some of the twists were unexpected. I would tell anyone that has a love for fantasy novels, this is one not to miss.

---

### **Gerald Black says**

Where does one begin? Every once in awhile we are lucky enough to stumble across an author who gets it. This is one of those. The world he creates is dark and menacing. The mood dark. The characters are vibrant and full of life. The evil is of such a degree that even the most vile characters seem good by comparison. And to top it all off a twist of an ending that ties it to the first book. I am looking forward to more.
