### **Jack says**

This book is a great summary of the books of the Bible as well as the reasons for doing so. Written by a seasoned pastor known for his teaching and preaching as well as development of other preachers and teachers, this book is accessible and inspiring. Recommended for everyone from the new believer to the seasoned Bible student.

### **Margaret Nahmias says**

If you are expecting a book about how to study the Bible this is not it. He devotes the first three chapters on Bible Study but the rest is mini commentary on the Bible. It is good if you are looking for accessible summaries on each book of the Bible in one volume, but you could just as easily get his commentaries
