S M Shahrukh says

Read about 50 pages, then gave up. Can't rate it zero so gave it one star. Gratuitous use of vulgarity, no organization whatsoever in the plot (if any). Skepticism does not mean that subtlety has to be renounced totally. I hope, the next book I read of this author will not disappoint me. This one proved to be a total dud!

Soumik says

One of the best book written by Humayun Azad! Whatta book! He described the worst side of martial law in Bangladesh!! give it a read.. you'll love it, for sure! <3

Nazmus Sakib says

actually i couldn't understand the main theme of this bloody book
