*FoxTrot* has become one of America's most popular comic strips. After 17 successful collections and eight treasuries, there are nearly three million *FoxTrot* books in circulation. The strip appears in more than a thousand newspapers. In his 18th collection of the fabulous comic strip, *FoxTrot* creator Bill Amend delivers a look at teen and family life that is consistently fresh, irreverent, and wacky. The antics of adolescent siblings Jason, Peter, and Paige try parents Roger and Andy but deliver laughs to readers as they're drawn into their chaotic world.

The wildly popular and enduring strip has won-and kept-fans nationwide, as they keep coming back for more of the crazy life of the Fox family. Amend keeps his comedy fresh by dipping into the pop culture pool, which never fails to provide plenty of fodder for him to parody brilliantly. Universal Press Syndicate newspaper feature:

I thought it was interesting and funny. I did not want to return it.

### **Susan says**

The Fox family takes a vacation to Washington DC in this collection of daily and Sunday comic strips. Peter must wear a Garfield suit at his summer job in the multiplex.

Hilarious!

Bill Amend simply understands the relationship between siblings better than most comic strip artists. His characters are stereotypical, without being confined. From the health-nutty mom and the fashion-less father, to the older brother with a bottomless pit for a stomach, the sister with 20,000 different blue sweaters, and the nerdy little boy with his pet iguana, these books afford effortless material that makes for entertaining bedtime reading. :-)

A very enjoyable Foxtrot collection. I particularly enjoy the Fox Family Goes to Washington series, with the Vietnam memorial one always tugging at my heartstrings each time I read it. I also love Jason & Marcus playing their version of fantasy football. Now, ~that's~ a football game I could be interested in. :)

I like the geek humor.

### **Duane says**

Bill Amend is a great comic strip creator! His work is filled with ordinary family life and that's what makes it so great. Daily sibling rivalry, marriage obstacles, and family life is just some of the themes that he portrays in his work. A great laugh for anyone to enjoy.

### **James says**

A book from my childhood that I owned.

---

### **Alli says**

Created because I have read and tracked this before, and cannot have it count for multiple years of reading challenges with only the one edition.

---

### **Avrom says**

Woo! More Foxtrot!

### **Dolly says**

Our girls recently discovered this comic and have requested as many of these books as I can find at our local library.

After reading a few of these collections, we have encountered some repeats, but on the whole, they are new to us.

This volume takes the reader through Spring, summer, and just into Fall. The majority of the book focuses on summer vacation.

### **Mita says**

There's no other way of saying it except that FoxTrot is made of awesome. Amen!
