Lynda says

"I wish the Easter Bunny would leave me riddles to find my basket. This was a very exciting book!" - V, age 4

Hollee Young says

I own several books from this series! My daughter absolutely loves them! Good illustrations go along with the text!

Ann M. Noser says

Always fun to read the PINKALICIOUS books. Fun twist on an Easter Egg Hunt. I'd have to guess that the author is obsessed with chocolate. :)

Samantha says

Pinkalicious and her family go on a scavenger hunt prepared for them by their friend, Edgar Easter Bunny. Pretty good Easter read aloud with clues that will be fun for readers/listeners to help solve along with the book's characters. PreK-2.

Rachel says

This is a cute Easter story, and fans of Pinkalicious will really enjoy it. I liked the scavenger hunt aspect of it.

Margaret Chind says

Pinkalicious is always fun and this "Eggstraordinary Easter" adventure is one for the whole family. Pinkalicious and her family head out on a hunt for clues and have fun doing so. Filled with egg-silly words (see title) this is a fun one. Complete with stickers.

Thanks to HC.

Holly Letson says

These are the kind of books I read at Kroger as my parents shop.

Pinkalicious is a child obsessed with the color pink and with excitement, as we soon discover in this Egg-Stravagant tale of an Easter scavenger hunt. The Pinkertons all search everywhere to find the answers to Edgar Easter Bunny's clues. But, in the end, it leads them all right back home, where they started.

Heather says

Cute. I sort of have a love-hate relationship with Pinklalicious since I myself am not too fond of the color pink. However, this book was cleverly written and I liked the scavenger hunt.

Kim Heimbuch says

Read and reviewed. Will post soon.
