Robin Perryman says

Too Short

First it was too short. Part 1 & 2 could have been one book. I also thought the numbers should be reversed. Arraignment 1 should have been Arraignment 2 and vice versa. Part 1 they were already in court and part 2 was still introducing the prosecutors and Fed's. I'm ready to get the party started now. I don't know how it's gonna end but i'm anxious to find out. I need to see whose wife snitched but my money is on Mina and Polo. I really can't see anybody snitching and giving up their lifestyle (out of the wives) except maybe Jordan. She's hating on Nasir right now. I hope the next parts coming out soon.

Cassandra Fleming says

Who what where

Who can Nasir truast. Nof even himself. No time for errors. Another page turner. A muist read in the order it is written

rickell finley says

Nako

The GOAT !!!!!!!! She never fails to deliver just reread this to be up to date about to start part 3 ...

Wild

It's so much going on and the underworld did do a lot of good and bad things but I don't want non of them to go to jail. I definitely don't want Papa to get a death sentence, oh please tell me this is a dream. Once agin in mad at Nas for feeling like he couldn't let his brothers know and prepare them for the storm , ugh he so selfish. on to redemption even though im tired of Jordyn, I'm ready to read MJ Story, but Ima stay in order

Donnetra Singleton says

I can't

Wait to see what is going to happen it is taking to long to get to the point and I want to know

Jacqueline Alexander says

Damn Good

I'm loving this underworld series. ???I can't wait too see who's singing???. And the new characters seem pretty interesting. But I think Nas has something up his sleeve for them. On to the next one. Keep up the good work?????

Shaneka Stevens says

The suspense

A scorned woman (Jordyn) and an entitled bitch (Miko) are dangerous. A loose canon (Jade) not much better to have around either. So much suspense in this book.

Chanell says

Banger

So I usually don't write reviews. I'm not sure why.....but the Arraignment II was AMAZING!! I found myself falling in love with new characters and wanting more. I can't wait for pt 3. The way Nako allows each character to come to life without you getting lost in the story is special. Everyone check out the Arraignment and the Arraignment II as well as other books by Nako. She isn't the typical urba authot with the cliché urban story lines. Her books are indebt and you'll find yourself thinking these characters are your friends and family. Great job Nako!!!

Michele says

Made me curious to see how the trial will come out - Looking forward to part 3

Urbanbook_chick says

?????

If you have been reading this series, this is another great book added to the collection. By far the Underworld series has been the best series I have read hands down.

Wendy Johnson says

Nako still playing with my emotions but her books are the bomb...

The arraignment 2 left me wanting more along with many unanswered questions THE ARRAIGNMENT 2 IS LIKE GOOD SEX THAT STOPS RIGHT BEFORE THE ORGASM.....I WANT MORE.....

Cyndi Williams says**Rest for the Next Episode**

We are now getting closer to learning the Underworld's fate and it's about to go down!!

More action and excitement plus new characters

Dione Brown says**Not done**

I was really looking forward to this being the final story. I wanna know who is the snitch.. Now that all the players are in place, I can't wait...

LATESHI BANKS says**Excellent Read**

Ihatealier Mcclure says**Great book**
