A Woman's Worth

Jahquel J.

A Woman's Worth Jahquel J.

Tiffany, Tyrisha and Mezzie are back for this explosive sequel to A Woman's Worth.

Tyrisha, goes against Moses's word and pays her ex, Tone, a visit. Tone is still heartbroken and bitter about how they ended things. Will this visit be the last of her days? Or will she be able to live another day to sass another person?

Tiffany, and Reshawn mend fences and build new ones. With Quinton, Reshawn and now a new love on the horizon, Marquise, will Tiffany be able to keep up or will she end up losing them all?

Mezzie, is still heartbroken from the loss of her daughter. She vowed to make Tone pay for what he did to her. With revenge and a broken heart, Mezzie is one chick not to play with. When things start falling into her lap will she be able deal with them or get up?

New alliances are formed and old ones are broken. One incident in Tyrisha's old house changes the life of everyone around them. Drugs, guns and blood is sure to be shed when the trio goes back to where it all started: NEW YORK.

From Reader Review A Woman's Worth for online ebook

BookPlugMegz says

Threw me for a loop

So from the beginning that is book I was really thrown like I was not expecting that. I read both part one and two in the same night. I cannot wait to finish this series. It was well written and it was not predictable.

Helen L.Williams says

What the hell

Moses is a nut how in the he'll would he want Tyshisa back after all she did to him and everyone else that was a friend to for. She ran back to Tone after he had another family behind her back. What some people will do.

Jazmin says

To me this wasn't the be best book that I have read so far this is one of the lowest ratings that I ever did but I just think that this book was just all over the place and most of all a headache because have of these characters to me did make since and most of them wasn't needed.

Twig718 says

Interesting

I like a little bit of crazy every once in a while....but this book is off the chain the things being done to the characters is insane. The love triangles are sick . I don't think I have a fave character but am satisfied wit the story. happy reading

Torz😝Tha📚Junky😜 says

Love conquers all. I enjoyed the book, but my curiosity wonders if they're will be another part being that Victor wants to get his revenge. I'm interested to know what's going on with Quinton as well. Guess I'll have to wait to see.

andrea williams says

Excellent

Excellent

I want to know what's going to happen whenever they find out that she ain't dead. and also who saw them kill Kim and tone. I would recommend this book.

Melissa M. Brown says

Wow!!!

So much drama. All this killing and lies will these people actually get to live happily ever after. I love it tho

Alesia Russell says

Drama...Drama and more Drama and everyone is related!!

There was so much going on...even though entertaining, its hard to keep all the situations and connections straight. Its like reading multiple stories meshed into one! Tyrisha is just as trifling as all get out!! The games she playing with peoples life is going to get someone hurt!! Tone and his attitude and character was a bit much!! Lace's operation was disturbing at best!! To be a doctor..Kim was dumb as hell, like she hadn't seen first hand what the crew was capable of!! I think its BS, that Tyrisha got a pass!!

Tamara says

This is one of those books that. I am glad I waited until the series was complete to read. if I had to wait to read part 2 and 3, I think I would have gone crazy. That Lace is something else, he is crazy but I still like him. Tyeisha made me want to lay hands on her, she was wrong for trying to help Tone out. The book was so good, I waited until I finished part 3, to write this review, I couldn't take time out because it was just that good.

Tina says

Outstanding OUTSTANDING READ

First let ME SAY THIS BOOK IS A MUST READ THIS BOOK MADE ME MAD LAUGH AND CRY.THIS BOOK HAS IT ALL DRAMA BETRAYAL FRIENDS AS FOE THIS BOOK LEFT ME ON THE EDGE OF MY SEAT ONE OF THE FRIENDS I WANTED TO REACH MY HAND THREW THE KINDLE AND CHOKE HER.MUST READ

Sandra Colbert says**AWW2**

OMG!!! This was really good. It took me a minute to figure out who was who but as the story started to flow it started to come together. If your looking fo a good read this is the one. Don't pass this up you want be disappointed.

.

Sandra (Book Loves) Atueyi says

A Woman's Worth part 2 is a good read. I have take my time to reading this book. Jahquel J did a good job. I enjoyed reading each of characters in this book because it's well-written.

I've learned a lot in this book. I like each of characters in this book except Tyrisha and Tone. They hurt so many people in this book and because they are selfish. Lace is a crazy man.

So far, this book and author deserve 6.5 ????????????. I'm looking forward to read another book from this author. I can't wait to read part 3 of this book.

Good Job ????????????

Sandra

Gloria Lewis Griffin says**A Woman's Worth 2**

This was an alright read. These women are all whacked. The one closest to having any sense is Tyrisha and that is not saying a lot. They were all out of control. Not one knew how to let the past go and live. Mezzie was the worst. The men were no better. I gave the story Two Stars because I was able to finish it. This is definitely not the worse, but far, far from the best. Recommended.

reneeNaDaBomb says**A Woman's Worth 2**

I truly enjoyed this storyline and how each character connected to one another. This group may not be blood, but are definitely loyal as family. All I can say is Mezzie watch out for Dalia (blackmailing snitch a\$\$). And watch out for Victors' wrath. It's coming in Book 3.

Taz Will says

I really enjoyed Lace in this one and all the connections around the group. I was hoping Victor was out the picture especially seeing how he knew what was going on. The gang needs someone to come at them correctly now with Lace though. I'm wondering if Melissa is with Quint so I'll be reading the next one just to see who makes it out.
