**Fancy Nancy and the Missing Easter Bunny** Jane O'Connor (Illustrations) , Robin Preiss Glasser (Illustrations)

**Join Fancy Nancy in a fabulous Easter adventure with this 8x8 storybook complete with fancy stickers!**

Fancy Nancy can't wait for Easter. And this year, JoJo's class pet, Nibbles the bunny, is staying at the Clancys' house for the weekend. But when Bree and Freddy come over to begin an Easter egg hunt, Nibbles goes missing! It's up to Nancy to find her before anyone notices she's gone.

From the dazzling duo Jane O'Connor and Robin Preiss Glasser of the bestselling Fancy Nancy series, comes a great addition to any fancy girl's Easter basket and a perfect springtime read.

## From Reader Review Fancy Nancy and the Missing Easter Bunny for online ebook

### Jillian says

I liked this one a lot - I liked how Nancy instantly took responsibility for her mistake, and was willing to accept the consequences of her prioritizing finding Nibbles. It was also really nice that her friends helped her out at the end!

### Beth (YA Books Central) says

Fancy Nancy stories are among my most favorite children's books. Each Fancy Nancy story teaches a lesson to children and shows them the right way to be respectful and good.

Fancy Nancy and the Missing Easter Bunny is filled with bright, colorful illustrations that really engage readers and will keep children attentive and interested in the story.

One of my favorite parts about Fancy Nancy stories is that the author uses each story to introduce children to the French language with easy to understand words that children will be able to grasp and remember. The stories also teach kids right from wrong and use different situations to show kids the right choices to make.

*"Ooh la la! Look at my eggs!  
They are tres magnifique.  
(That's French for very magnificent!)"*

The characters in Fancy Nancy stories are bright and fun and drawn to reflect happiness and cheer.

I love how in Fancy Nancy and the Missing Easter Bunny, Nancy's friends realize that Nancy was busy trying to find the missing bunny and did not get to hunt eggs like everyone else....so her friends come together to make sure Nancy gets a chance to hide eggs as well. This shows kids the right way to treat people and teaches friendship and respect.

I also like that the author includes a page full of stickers which helps kids to be able to interact within the story and they will love the cute stickers! Especially the Easter bunny sticker! :)

### Miss Sarah says

A cute Easter egg hunt book featuring fancy Nancy and her crew. Nancy gets distracted on the Easter egg hunt when her sister class pet rabbit escapes from his cage. Nice message of sharing. One on one or preschool.
