All Lumberjanes are on deck when the High Council comes to camp for inspection!

The High Council is coming to camp and counselor Jen is determined to make everything perfect, even though a storm is brewing and kittens from the boys' camp are manifesting magical powers. It's every Lumberjane on deck as the girls do their best to prep the grounds for inspection . . . but there are *some* storms no one can prepare for.

This *New York Times* bestseller and multiple Eisner Award-winning series is a story of friendship, hardcore lady-types, and kicking a lot of butt. Don't miss out on the continued adventures of the Lumberjanes written by Shannon Watters and Kat Leyh (*Super Cakes*) with stories illustrated by Carey Pietsch (*Adventure Time: Marceline Gone Adrift*) and newcomer Ayme Sotuyo.

Collects issues #25-28.

From Reader Review Lumberjanes, Vol. 7: A Bird's-Eye View for online ebook

Brittany says

Do you like kittens? Do you like magic? Do you think kittens should have magical powers? If the answer is yes to any of those three questions, then you will love Lumberjanes Vol. 7!

This is another wonderful addition to the Lumberjanes and follows along the same lines as the first 6 volumes. The girls in Roanoke cabin are once again minding their own business when all of a sudden a mystical creature comes in to wreck havoc causing the girls to use their own unique skills to find a way to save themselves and the Camp.

This is lighthearted comic that showcases the power of friendship, love and how to overcome all sorts of odd obstacles.

Cyndi says

I still love the LumberJanes but this particular edition didn't rock my boat as much as others. Not quite as funny but I did like that they let a boy join the group.

Story

This was another fun volume. I especially loved the cats (and I'm more of a dog person), and the introduction of the Grand Lodge. I hope they do more with them in future volumes. There isn't much in terms of the ongoing story, but it does build the world of the Lumberjanes out a bit. I'm hoping they continue to explore that.

Artwork

All the artwork is good, but I like Carey Pietsch's (Chapter 25) work better than Ayme Sotuyo's work. It just feels more polished to me

Loretta says

Oh man, this comic series managed to lure me back with a tale centering on magical kittens. I cannot handle such adorableness.

Stewart Tame says

The women of the Grand Lodge of Lumberjanes are coming to camp to evaluate the counselors. Jen urges the inhabitants of Roanoke cabin to be on their best behavior. But then there's an influx of kittens with magical powers. And just as the Grand Lodge women arrive, a giant roc grabs the van and flies off with it. It's up to Jen and the rest to rescue them.

This series is still going strong. Seven volumes in, and it still remains as fresh and inventive as ever. The book ends with something of a surprise revelation, which I trust we'll be dealing with at least briefly in volume 8. Highly recommended!

SO MANY KITTIES!!!!!!

Freya says

review to come :)

Jasmine says

This again seemed a bit too easy and straightforward to me. I loved the kittens and all their powers, it just seemed like it was the set up for the next part of the adventure. I love the inclusion of Barney though. Basically more Barney, kittens, and plot and I would have been a very happy camper.

SO!! MANY!! MAGICAL!! KITTENS!!

Lumberjanes never fails to make me smile, it's so wholesome and I just love them all! Congrats to the newest lumberjane and the return of an old one! I'm def starting the next volume tonight

Calista says

More Lumberjanes fun. You have to see what the magic kittens can do. They stole the show. There are some super old Lumberjanes who run the camp that show up and kick butt. Barney appears in this one too. It is a lot of fun. Noelle Stevenson did not write this one and she was missed a little. The art work is slightly different as well.

I have a lot of fun reading about the camp. It is a great comic and I always look forward to the next one. I am almost caught up which means I will have to wait to read them which is a bummer. Super cool. Team work - yeah!

Sylwia (Wish Fulfillment) says

I always expect this to just be fun and entertaining, but it always ends up making me feel things and cry???

It's been soooo long since I've read this series and I was instantly reminded how fun and pure it is. ALSO MAGICAL KITTENS!!!

Carlos Peguer says

Este ya me ha gustado tanto como los del principio. Me encantan los gatetes mágicos que escupen fuego y levitan. Como siempre ha sido una maravilla, cuqui, y divertido. ?
