Never Too Late Cathy Kelly

A lot can happen in a year - and Evie, Cara and Olivia are about to find out just how much... Evie is a hopeless romantic who's never had a chance to do her own thing, and deep down she knows that marrying Simon isn't going to help. Her sister Cara's a walking disaster when it comes to relationships, and she's not much better in the workplace either. And her best friend Olivia can't quite bring herself to admit that she's married to the wrong man - after all, what would she do without him? When they go home for Christmas, Evie's father announces that he's getting remarried. That shouldn't change anything - but then they don't know who they're going to meet at the wedding...

I like reading Irish chick-lit, but this one is awfully predictable and the main character is sooo irritating... I was thinking: "Poor Max" all the time. This woman needs a thorough therapy. Please, please, don't tell women that's it's ok to be so sickening jeleaus and mad and self- centered as Evie is. And having such low self-esteem is detrimental to every relationship.

Verrrrrry draaaaaaaaaaaan out! Reminded me of something I read in my teens. There's light easy reading and then there's feather light. Probably just not my type of story. Too predictable and could've been told in half the time.

[who, just before her wedding and just because she meets a handsome man, decides she does not love her fiance the way she wants to or is supposed to. she falls in love with this new guy because he is handsome????at least, i didn't understand that there was any other reason for this quick and fatal!!

It's the second book I've read from Cathy Kelly and I'm definitely a fan. She can make real stories with real people interesting and making us care for them. I just think that people don't fall in love so easily and quickly, but maybe that just me ;)

This book accompanied me in the flight to New York, the trip to celebrate our 1st wedding anniversary, and it was then a good excuse to buy 2 more books from her :o)

The Cats Mother says

Fairly average Irish chick-lit - easy reading. I didn't like the main character much, but her daughter, sister, best friend and mother-in-law were funny and made the story more interesting. Very predictable ending.

Een roman om heerlijk bij weg te dromen, een echte feel-good-boek!

Ik kwam er in de eerste 150 pagina's heel moeilijk doorheen, vond de zinnen te lang, waardoor ik ze soms meerdere keren moest lezen om ze te begrijpen. De originaliteit is ver te zoeken, maar het is wel een boek om mee te nemen op vakantie en bij weg te dromen.

Het verhaal gaat om Evie, Cara en Olivia met ieder hun eigen problemen, welke zeer herkenbaar zijn. Evie gaat trouwen, maar niet met de heldhaftige prins op het witte paard waar ze van droomt. Cara durft geen relatie aan te gaan, terwijl ze geen gebrek aan aandacht heeft. Olivia wordt thuis kort gehouden, hoewel ze langzaamaan haar dromen begint na te jagen.

Deze problemen worden in het begin van het boek uitgebreid beschreven. En gaandeweg komen hier clichématige veranderingen in.

this book was good, but not great. I think it dragged in a few places, which is why I gave it 3 and not 4 stars. I did like all the characters, I just think it took forever for her to dump Simon. I was glad that Stephen decided to change to save his family. And i'm glad Cara saw her errors and saved her relationship with Ewan.

Karsctl says

Drei Frauen, und alle haben sie nicht wirklich Glück in der Liebe. Die eine findet erst keinen, die anderen hat einen Langweiler als Verlobten und die dritte ist bereits verheiratet - jedoch mit dem Falschen, wie sie leider zu spät feststellt.

Hauptperson ist Evie (die mit dem faden Verlobten Simon), deren Liebesleben auf der Hochzeit ihres verwitweten Vaters ein bißchen durchgewirbelt wird und sich daraufhin fragt, ob sie zu ihrer eigenen Hochzeit mit Simon überhaupt gehen soll. Denn wie schon der Originaltitel sagt: es ist "never too late" seine Meinung zu ändern.

Really enjoyed this book.

Anne Brooke says

This is an okay read but it outstays its welcome a bit - I keep trying Cathy Kelly novels and each time I end up thinking it's very much like Mills & Boon but just a tad higher class. It's a shame that here one of the main characters, Evie, is a complete idiot and astonishingly cruel to those around her and I never believed in her so-called passionate love affair with Max - it's a nonsense. However, the other two women, Cara and Olivia, are fine, though the ease in which Olivia stops being a doormat and becomes a TV star just made me laugh.

A pleasant enough read, but unbelievable, and nothing to write home about.

Dmareen says

I decided to chose the Cathy Kelly novels for some more light hearted reading after reading so many dramatic and often sad historical Novels before these.

Her novels are an easy read but the story lines can be a bit predictable in parts, so I will think I will move to something different when finished the 3rd run in her series.

Karen Chambers says

A nice, light chick lit book. Easy reading for when you want something to relax with and not have to remember plot's or intense story lines.

Excellent book for whiling the time away by a pool or on a lazy afternoon.

Anita Johnson says

I have totally enjoyed every book by Cathy Kelly that I could find. I think this was her first novel, written in 1999, and it has her humor, warmth and assortment of kind, lovely people and witchy ones you love to hate. I read it on my iPad and was very disappointed with the formatting. Many times, one character would follow another with no paragraph break and sentences sometimes would stop mid-way at the top of a page and then continue on the next page. It was a good story despite that.

Jean says

Evie and Cara have problems with romance until their fathers wedding and a step brother appears, the book was good but could have been halved as too much detail in it

Heidi Irmeli says

Very nice entertaining book which is can suprising a readers.
