Untitled Sabaa Tahir

Sabaa Tahir has more battles planned for her heroine Laia in the best-selling fantasy series "An Ember in the Ashes."

Razorbill, an imprint of Penguin Young Readers, told The Associated Press on Tuesday that it had a deal for books 3 and 4. The author's first novel, "An Ember in the Ashes," came out last year and was an immediate critical and commercial hit, with Paramount Pictures acquiring film rights. The sequel, "A Torch Against the Night," is scheduled for publication at the end of this month. Book 3 is expected in 2018.

The series is set in a world inspired by ancient Rome and tells of young Laia's fight, which leads her to disguise herself as a slave, against the tyrannical Martial Empire.

IS THIS A JOKE?

THIS IS NOT FUNNY.

Like it was bad enough to wait until 2018 but... but.... but....

2019????????????????????????????

Shit. I'll be 20. TWEENNTTYYYY.

LOYAL TO THE END.

?Hayley says

I feel like I should update this because uh the rant down there no longer reflects my feels. I kind of can't even with this series anymore. I LOVED the first book but now it's just too much sorrow and horror. I hate Laia, I don't like Helene, I hate where Elias is going. Everything sucks and there are no small moments of happiness or joking, or fun that convince me to push through for the light at the end. I set Reaper aside and I might not continue on. I just feel meh about it all.

2019 SERIOUSLY?!

By the time this comes out I'll be 26.. TWENTY SIX! And Elias will still be 20! Thanks, Sabaa Tahir for making me feel like a cradle robber..

It's okay Elias, baby, we don't have to conform to societies view on love.

Jenna Major says

I thought this was a trilogy, but after A Reaper At The Gates, God knows we need to know what happens next

Evgenia Netrebkova says

Why is every author adding a book to their series???

?ααα says

exCUSE ME

WHY DOES THIS SAY THAT THE EXPECTED PUBLICATION DATE IS 2020??

I'm
This is....not okay.

at least give me a title reveal ~~and cover reveal that has Elias's face~~ in the meantime

Taylor says

After the ending of Reaper, I don't think I'll ever be prepared for this conclusion.

MY HEART. 'TIS SHATTERED, READER. **SHATTERED.**

The wait is gonna be tortuous, and I'd love to say that the pain gets easier but IT DOESN'T.

Dammit Sabaa, don't you know that my sanity depends on Laia, Elias, and Helene's happiness?!
AHHHHHHHHHHHHHHHHHHHHHH

screams until 2019

Gaby (lookingatbooks) says

By the time this comes out I'm going to be an adult, holy shit.

Frank says

Update December 2018:

SOMEONE PLEASE TELL ME THAT 2020 RELEASE DATE IS A MISTAKE I CAN'T WAIT OVER A YEAR FOR THIS ESPECIALLY AFTER REAPER!!!!!! ???????

I mean I get it if Sabaa Tahir needs extra time to make it the best finale it can be, but I don't think I can survive a wait that long ?

Prereview June 2018:

Can the cover be yellow? Because then we'd have:

Gryffindor

Ravenclaw

Slytherin
Hufflepuff

Beth says

The sooner this comes into my life the better.

I need to know what happens to all of my fave characters, and will my ships sail?!
