Your Pastor, My Husband

B.M. Hardin

Your Pastor, My Husband B.M. Hardin

Is he a Saint...or is he a Sinner?

Maxine thought that she had life all figured out. Despite rough beginnings, she could finally say that above all else...she was happy. Her life changed for the better when she married the respected, adored and handsome Pastor Shelton Cartwright.

To her, her husband was nothing less than perfect...at least that was what she'd thought.

But soon Maxine is reminded that even Pastors have a Past.

Maxine's life spirals out of control and little by little she discovers that her Pastor of a husband isn't who he appears to be. Soon she discovers that she doesn't have a clue as to who she's really married to.

Was he really a Saint...or was he still a Sinner?

That's the one question that Maxine was dying to know the answer to. But there was more than one missing piece to this puzzle. And when the answers start showing up at Maxine's front door, all hell breaks loose, and things for the Cartwright's will never be the same.

Whats a woman to do when she learns that the one man that she thought was "praying" for her...had all along been "preying" on her?

A full, complete story of lies, deceit...and everything else in between!

Author Alycia Morris says

OH MY!!!!

It had my attention from the beginning, Maxi was a trip she kept me laughing. Shelton didn't turn out like I thought but I knew he was grimy. But that wicked twist you put on the end!!!! That closed the deal for me. I couldn't put it down I read it in two days. (round of applause)

Faith says

Really enjoyed reading this book as the pastor's wife takes dangerous journey to find out who her husband really is,while keeping some secrets of her own. Story line keeps readers entertained as the author takes you on a twisted ride to the truth.

Dyisha Allen says

Great Read....

This book was a great read a great story line and a page turner. So glad that the ending had such a twist and unexpected surprise to it. I also think that characters really portrayed to the story.

Lasabre says

Should have been titled My Husband....Your Lost

This book was absolutely great I enjoyed every unexpected twist and turn. This is my first time reading anything from this author and I am well pleased looking forward to exploring more from B. M. Hardin

Maya B says

This was a very fast pace read that was full of secrets and lies. The book held my attention from the very first page. Shelton's dark past will make you wonder about the person you are married to. This book also had suspense and drama. This is my second book by this author and I look forward to reading more by her.

Dominique says

I downloaded this book because the title and cover caught my attention. Wanting to support a fellow author, I started reading immediately and I'm sooooooooo glad I finished.

I read this book in five hours and NO it's not a short story lol it's a full length novel. I was a little skeptical of how the author formatted the book, placing enter at the end of every sentence. But it did not take away from the story. Once the book began to pick up and the mysteries starting flow in, I was hooked. The book was written like a diary from the main character Max and I really liked that.

One thing this book had were twists and turns and just when I took a breathe and said, okay that's it..here came another one.

I've read many books this year and I don't have many books that have me in awe but this one did it for me.

This is my number two book of the year! Awesome read!

Kudos to the author for an amazing storyline!

I'm a sucker for suspense so I was in awe!

Dee Cherry says

Your Pastor..My Husband was a great read. The more I read, the more interesting the story became. Maxi & Shelton truly deserved each other. I'm glad they decided to finally be truthful with one another. Enjoyable stand alone book that I highly recommend!

Cindy ~ says

What a unique book, from the title to the actual story and even the writing style. From the start we know Maxine's sordid history but she wanted to make a change in her life and did that by walking into a church service one Sunday not knowing she would find the man she would marry preaching on the pulpit.

The story is told from her point of view and written in a way that was so different than anything I'd read before. When you've finished the book and look back its really a book with dark subject matter but the way it was written you didn't feel like you were reading a heavy book and I laughed out loud many times throughout.

As there are huge twist and shocking revelations toward the end of the book I'm not going to get into the plot deeply but as a line from the book blurb says "Is he a Saint...or is he a Sinner" was very appropriate.

Jessica Fuller says

NOT BAD

I REALLY LIKED THE CHARACTERS MAXINE WAS THE TRUTH SHE TOLD IT LIKE IT WAS. I

DIDN'T EXPECT ANYTHING THAT HAPPENED, HONESTLY I THOUGHT MAXINE WOULD FIND OUT HER HUSBAND WAS GAY OR HAVING A AFFAIR BUT HE HAD A WHOLE ANOTHER LIFE... GOOD READ

Maya Gibson says

Great Read

This book started off slow to me. I almost stopped reading it but I'm so glad I didn't. Wow!!! You just never know about a person's past. This goes to show that people can turn their life around despite what has happened in their past. I highly recommend this book. I refuse to give the plot though but to prove I read it. In the end is what blew me when it came to what John(Steven),Sheila,Dianna(Shelby),and Maxi had in common

Mia says

Your Pastor My Husband

What can I say Miss BM Hardin is a beast when it comes to the pen. This book had me going from page 1 lots of twists and turns very unpredictable. What more can I say without giving up the book. Don't want to take my word fine grab this book well worth the money. Great job as always

Sharon Simmons says

This book had me hooked from the first chapter!

The thing I love about B.M. Hardin's books is just when you think you got it all figured out there's another twist! I loved this book, I think its the best one I've read by her and all the others were good! Shelton and Maxine went through a lot but it was worth it! I can't wait for her next book!!

Shavonna Futrell says

Great read!!!

This started off a little slow , but it definitely picked up. Maxi's husband had been killed, she decided to move away and start her life over, after being when a lot of men in her life she finally found true love and man that loved her for her, she never thought she would be a Preachers wife let alone married to the man who had killed her first Husband.

Elle1986 says

It was like information overload.... In the beginning I just wanted to know about her and her husband and then jump a little into the past.

However it seemed like every thought she had lead to going on and on and on and on about a past situation.

It was like a simple thought or statement went to a long ass story and by the time it got to her and her husband I was like OKAY now I can finally read with these two actually interacting.

and when that happened... I really enjoyed the book, I get that we needed the background but we were hit with that asap.. I thought that I would see how these two interacted a little before being hit with a lot of her background stories etc.

Nevertheless cool read that left me a tad frustrated.

Review:

"Your Pastor...My Husband" by B.M. Hardin

Book Description....

"Is he a Saint...or is he a Sinner?"

"Maxine thought that she had life all figured out. Despite rough beginnings, she could finally say that above all else...she was happy. Her life changed for the better when she married the respected, adored and handsome Pastor Shelton Cartwright.

To her, her husband was nothing less than perfect...at least that was what she'd thought.

But soon Maxine is reminded that even Pastors have a Past.

Maxine's life spirals out of control and little by little she discovers that her Pastor of a husband isn't who he appears to be. Soon she discovers that she doesn't have a clue as to who she's really married to.

Was he really a Saint...or was he still a Sinner?

That's the one question that Maxine was dying to know the answer to. But there was more than one missing piece to this puzzle. And when the answers start showing up at Maxine's front door, all hell breaks loose, and things for the Cartwright's will never be the same.

What's a woman to do when she learns that the one man that she thought was "praying" for her...had all along been "preying" on her?

A full, complete story of lies, deceit...and everything else in between!"

What I liked about the novel....

This author has brought to the readers a very interesting read that once you start reading you will have a hard time putting it down. WOW, Ms. Hardin you have done it again....written a absolutely wonderful story with so many twist and turns. You will be kept on the edge of your seat wondering what is coming next in this intermingled story. Be ready for a story of romance, love, sex, humor(some), secrets, lies and in the end....the mystery of it all, even some suspense and the several surprise twists that you may not see coming. This was definitely a shocker for me because nothing is as it seems as you are reading through this novel. Now, to fully understand what this author has written you must pick up this excellent read and so for yourself how well this will be brought out to the reader.

The two main characters Maxine and Shelton were simply off the chart good as with the secondary characters being so well developed, portrayed colorful defined and believable all helping to give the reader a good script.

What I also liked about this novel...

I liked how this author ended and summed up each chapter in this story.. here are a fewthat I thought were simply wonderful!

~Life will always be exactly what it's meant to be. Never be afraid to try something new. Never be afraid to try again~ Anonymous

~Sometimes, the only person worth trust...entirely...is you~ Anonymous

~Live everyday as though it's your last after all, it just may be~ Anonymous

~Sometimes you have to go through the worst. To get to the Best~ Anonymous

~Some you have to go through the worst. To get to the Best~ Anonymous

My overall impression of this novel...

Thank you Ms. Hardin for a great story that will have the reader thinking on the read long after it's been put down.
