Fairy Tail 25

So we see who managed to pass to round 2 of the exam, Natsu, Mirajane's brother and Evergreen meet some mysterious person who accidentally shots death energy, the exam is interrupted after Gajeel and Levy are attacked by some wizards, and we find an illegal magic guild that have 7 wizards, is coming to the island to awaken some dark wizard (that was supposed to be dead)

I was really liking the exam plot, I guess the author thought that was not exciting enough and decided to add more trouble. Hoping its not just a redo of the previous illegal guild fight.

But this volume was fun

No entiendo los principios de este examen. El maestro elige a miembros poderosos que cumplan los requisitos para ser un mago de clase S. Vale, hasta ahí perfecto. Lo que no entiendo es el concepto del acompañante, ¿también consigue la promoción? No sería justo de otra manera. ¿Y si es demasiado débil para el puesto?

En fin...

Que caballerosos Fried y Bixlow, aunque no entiendo el trato preferencial. Causaron mucho daño a todos con sus pruebas, no sólo a Cana y a Lucy.

Me repatea que Juvia no pasara al siguiente nivel de las pruebas, ¡ella ya era una maga de rango S! Si Natsu no tenía que derrotar a Gildartz, tampoco debería haber sido necesario derrotar a Erza para pasar.

Pobre Zeref, lo pintan como el más malvado del cotarro y en realidad parece un amor de persona, sólamente bastante incomprensido.

Que curioso, Oración 6 y ahora Grimore Heart tiene 7 integrantes (aparte del maestro los dos). ¿El último gremio oscuro tendrá 8?

Olé Gazille, tu si eres un gran miembro de Fairy Tail.

Dios como odio a Mest. ¡Como se atreve a intentar buscar los trapos sucios de Fairy Tail! ¡Que clase de consejo contaría eso como prueba acusatoria!

I wish the S-Class trials would have gone on longer before we shifted story focus, but it still might be interesting.

Great character work in here. Especially for Natsu. He's been growing a lot throughout the series, but there's a good argument to be made that he never really did much growing \*up\*. He did that this issue, and I think it already showed.

An illegal guild has interrupted the S-Ranked wizard exam, challenging Natsu and his friends while attempting to revive an ancient dark wizard - and it could all hang on the fate of the mysterious young man begging Natsu for his help. Mashima gives readers another mystery filled journey with this action-packed entry. How far will these strangers go to awaken an unspeakable power?

This book has some crazy tests and contests. This was fun as always and there are even a return of some people that we may remember.

Ehhhhhhhhh!?????

Why \*\*\*\*is in the Tenrou Island??!! What relationship between Nastu and him there are? There are so many mysteries points in this volume. I enjoy reading the story with guessing.

### **E.A. says**

There is mystery flouting about.

So many things to say, the second volume, in what I call the test arc, is pack full of the feels. It's in this volume that we get to see how much Gajeel has changed. More so we get to see how Levy's feelings have

changed for Gajeel. Once scared of him, she now trusted and maybe even has some feels for the iron dragon slayer.

I like those little bits of, well you can't really call it romance; it's a bit too childish for that. Puppy love, maybe? It's fun to see how awkward it is..>.<

This volume is also the start of their battle with the dark guild Grimoire Heart and it doesn't start off as a very fair battle. It's hard to read, because some of my favourite characters are getting hurt/slaughtered. Even though you know it will turn out okay, you can't help but wonder if that's really true.

This volume is the start of a dark, heart-string pulling sub-arc. It's the beginning of something much more tragic than injured guild members. It is the start of what will change everything, and twist that happy ending into something unhopeful and tearful.

Give this story a chance, you'll be pulled into its magical world of emotions and desperation that will have you wanting more.

Happy Reading

Fairy Tail vol 25 Summary: THIS AIN'T THE SAT! Natsu, Levy, Gray and the others face a fierce trial to reach the coveted S class! But with a mysterious death wizard wandering the the island in search of Natsu, a mystery man manipulating the memories of the entire guild and a powerful dark force preparing to mount an invasion, one thing is clear - this test really needs a proctor!

Rating: 5 stars

Opening Line: "She's strong...!!! Has she always been... this strong?"

Quote: "The most evil and powerful force in the history of the magical world..."

### **Vanessa says**

Volume 25 is what I like to call a "development volume." These chapters are about establishing the foundation for what is to come with the rest of the arc. There is some great character development, especially in regards to Gajeel, and a new enemy is introduced. The storytelling and artwork is amazing, as always, but, because these chapters are laying the groundwork for what is to come, it's not as moving, exciting, or inspirational as other volumes. It's still a great read, just not as great as other volumes.
