A Liverpool Lullaby

Anne Baker

A Liverpool Lullaby Anne Baker

Young and pretty Evie Hobson spends her days serving behind the counter at her father's Chemist shop. Joseph Hobson is a bullying man and Evie isn't the only one who lives in fear of her father's violent temper. Then one day a bedraggled woman enters the shop and dies on the premises. Evie is shocked to discover she was in fact her mother, whom she had been told was dead. Why had her father lied to her? What secret was he trying to keep? One thing's for sure, Evie can't take much more from him and when she catches the eye of local lad Ned Collins they plan to run away to begin a new life together. But even when she has escaped and has started a family with Ned, Evie has a long way to go before her happiness is secured...

Elaine Hargrave says

This is a lovely book for curling up on the sofa and just reading. The main characters are all engaging in their own way. Evie's father Joseph Hobson is a classic from another era, how times have changed. It's a intriguing story line but am I being a bit of an amateur sleuth in saying did he Joseph Hobson also kill Evie's grandparents who both died relatively young? Evie's young life was dire by today's standards and her father very controlling which forced her into decisions taken by impulse but not regretted. Her children didn't always understand her reason for how life was being lived and her anxiety for them all was a legacy from her youth. A strange twist in the tale when her mother turns up and leaves a very unsettled Evie after her appearance. As I said previously a lovely book to curl up with and count your blessings we don't live in that era.

Pauline says

Good,quick and easy read.

Lisa says

Good so far..finished this in a couple of days, couldn't put it down! Really good story :)

Angela says

Like all her books - lots of memories of Merseyside.

Nicole K says

The first time I read "A Liverpool Lullaby" was in secondary school where I picked it up in the library. I enjoyed it so much that I borrowed it repeatedly. It was a treasure which I could hardly find outside.

Now, I own a copy of this book and still love reading it to bits. Although my reading of it has changed, I still enjoy reading it. Who doesn't love an underdog?

Barb Porter says

Excellent story

Kept guessing until the end making an intriguing story well told. Would recommend this to friends and family. Great

Xondra Day says

Love it! This is a great historical spanning many years about one woman's loves, and struggles throughout life.

miss c g miskell says

Fantastic

Could not put it down once I had started to read it.
Heartbreak and some many emotions run thru the book you have to read it all.

Another great story from Anne Baker

Christine says

I enjoyed reading this book set in Liverpool, early 20th century during the first world war.
I would recommend this book.

Sue says

Evie, the only daughter of a clever and strict chemist, is shocked to see her mother just before death. The book follows Evie's growing up and falling in love, getting away from her father's influence.

The characters were fairly believable, but some of the book wasn't very interesting and I found the ending rather too tidy.

Jeanie says

Good book

Catherine says

I thought more than half of the book was boring but then it got good.

Mrs S E Munro says**Intrigue**

Brilliant read full of mystery and intrigue. Anne Baker is an amazing author, I look forward to reading more of her work.

Shani Cameron says

Anne Bakers books are a great light read.
