## Angel's Touch Abby Blake

[Siren Ménage Everlasting: Erotic Paranormal Ménage a Trois Romance, M/F/M, light consensual BDSM, spanking, sex toys, HEA]

Devlin Meyers, recently retired Navy SEAL, isn't thrilled when his first assignment with Deeks Security seems to be a wild-goose chase, and it sure doesn't help that the warlock he's working with isn't his idea of a nice guy.

Jed Mathewson's renewed enthusiasm for the job can't be dampened, not even when he's given a mission partner stiff enough to use as a surfboard. But thank the goddess it's only one assignment.

Yet, when the woman they've been searching for manages to find them instead, life takes a rather interesting turn. That they both knew her years ago is troubling, but the fact that they both still love her could be a huge problem.

Especially now that Lilly Wicks has a whole new set of skills to deal with.

Can explosive passion, intense circumstance, and boring isolation help undo past mistakes, or are all three doomed to repeat them?

A Siren Erotic Romance

### **April says**

Super sexy steamy menage!! Lots of hot action in these books. I love the whole paranormal angle. Some of the story gets tricky to follow but it is a great read. Each book gets better!
