Indah Threez Lestari says

Sophisticated Song

Hugh strums a piano.

*I wear sophisticated clothes,
I say sophisticated things,
Everything about me,
Say's I'm a sophistication king,
But when I'm with you,
I can't seem to find my cool,
Yeah when I'm with you,
I just sit there and drool,*

*I got sophisticated hands,
I got sophisticated feet,
A sophisticated car,
Parked on sophistication street,
But when I'm with you,
I can't seem to find my cool,
Yeah when I'm with you,
I'm just a dribblin' fool,*

*And when you look at me,
And you start to flirt,
I have to wipe the dribble,
Off the front of my shirt,
And when you ask me,
What's on my mind,
All I can think to answer is ...
blubblybubblyfawaah,*

*I eat sophisticated food,
I breathe sophisticated air,
Use a sophisticated comb
On my sophisticated hair,
But when I'm with you,
I can't seem to find my cool,
Yes when I'm with you,
I just fall off my ...*

Amazingly enough, Hugh falls off his stool.
