I love this little book! The art on each page is detailed and aesthetically pleasing! In addition, the songs used are witty and quickly bring smiles. The pages are a medium weight cardstock, and will definitely hold up once removed and gifted. I appreciate that the pages remove easily, and are not perforated...so there is no messy rips or ripples. I can not wait to color some of these for my best "gal" friends!

I received this book in a giveaway for review purposes.
