Hidden Needs Havan Fellows

Archer Hehnier is a hard-core businessman through and through. He's not afraid to make the merciless decisions, to put in the long hours, to lose himself in his work for the greater good of his company and his clients...even if it means losing a piece of himself in the process. But when does a man with a mind always turning at two hundred rotations per second get his personal needs met?

Dalton is an uncompromising businessman, who could, no doubt, go toe-to-toe with Archer in the boardroom—but that's not the room Dalton wants to tackle Archer in.

With a little help from his friends at the premier BDSM club, The Sanctuary, Dalton hopes to fulfill every one of Archer's hidden needs.

This story was smokin' hot with great sexual tension between the two characters. I would love to read more and turn that HFN into a HEA :D

Man, I love me some Dalton. What an amazing voice. I LOVED his narrative!
Oh... and the ice man cometh! RAWRRRRR!

Dalton's narrative is what made this story extraordinary for me. I loved BOTH men but Dalton.. he was just mesmerizing! I love his confidence, his sense of humor and how long and how well he stalked his prey! He had a very keen sense of not only who Archer was, but what he needed. Gotta love a man with a plan. :)
Excellent story Haven.. I just can't seem to let it go....Any chance of MORE????
PUH-LEEEEEEASE.....

J'ai vraiment apprécié cette petite nouvelle épicée, mais j'ai été ultra frustrée qu'elle soit aussi courte parce qu'elle a un potentiel énorme et qu'Havan Fellows nous met l'eau à la bouche avec deux hommes délicieux, une scène à trois extrêmement suggestive et pff cela s'arrête. En fait, elle jette tous les ingrédients pour faire une excellence sauce onctueuse et savoureuse, et vous ajoute quelques croutons pour vous donner envie, heureusement que mon imagination est très fertile car la dernière phrase m'a achevé.

Le récit est fait par la voix de Dalton, le type même de l'homme que vous détestez, sexy, arrogant, sûr de lui, ultra dominant et adepte du BDSM où il excelle. C'est l'homme qui a réussi et qui ne pense qu'à satisfaire ses désirs, et celui qu'il veut par-dessus tout c'est Archer, qui en apparence est lui aussi un homme qui contrôle tout, mais chez qui Dalton a décelé un besoin qu'il est certain de pouvoir satisfaire.

Dalton a étudié toutes les habitudes d'Archer et va le piéger, avec l'aide de deux sulfureuses amies qui tiennent un lieu très spécial « Le sanctuaire », il va retourner très intelligemment Archer qui va se retrouver dans la position de soumis pour son plus grand plaisir et celui de Dalton.
C'est court (dommage) vous voulez en connaître plus (de Dalton qui reste très mystérieux) vous attrapez un coup de chaleur avec la scène clé (mais pas assez) vous tapez du pied à la fin, mais je n'ai aucun regret juste un mot .

Please Havan, write more about Dalton and Archer !!!!!

I loved this story (and all stories surrounding The Sanctuary). Dalton and Archer were hot, and cannot wait to read more about them! Keem them coming, Havan! :)

Lori Winchester says

I couldn't stop reading! The kids got their baths and went to bed late because I just HAD to finish it first!! The men are both strong willed, and it left you wondering who would win that battle of the wills in the end. Awesome job and a wonderful read!

Kimberly Be says

Oh. My. God. This was absolutely amazing. I've never read a story with this turn of D/s dynamics, and it was so skillfully done! Even readers who aren't necessarily fans of BDSM will enjoy the scalding hot sexual tension, and the first person voice of one of the main characters.

Wendy Ann says

Very smexy! Dalton was a perfectly wicked schemer, but you can't fault a guy for knowing what he wants and going all out for it;) I loved that Arch recognized the potential for his true nature, but didn't make it easy. The lovely ladies were great secondary characters - very naughty but nice. Would love to see a continuation of this story. Excellent job!!!

Danny Bottoms-Johns says

Havan is an excellent story teller.... and I found myself drawn into the story from the beginning. I can't wait to read more!!!!

Marte - Thunderella says

*** 3 stilted stars ***

Why did the characters talk in such a stilted way like that? Was it to kind of make up for the debauchery later in the story? Debauchery is still debauchery even wrapped up in polite and proper dialogue. I love debauchery, but it needs to be earnest. This felt almost as the author tried to put make-up on the story, so it wouldn't be so "dirty" or something. I didn't connect much with the characters and it was a bit unbelievable. The "I know what you *really* need just by looking at you" have never been quite believable for me.

But, it was alright, but quickly forgotten.
The prompt picture for this story should be framed and *never* forgotten, though!

4,5 stars.

This was terrific! Dalton and Archer are captivating characters. The sex, the D/s play, the mentioned previous facts, the emotional side, everything was excellent.

My only annoyance is with some inconsistencies and/or «coincidences» in the way in how the relationship starts up

And that ending.... This story NEEDS a continuation. Havan , I really, really hope that this 2nd edition implicates that a sequel is coming soon.

*****Read as part of the free Don't Read in the Closet: Volume Two anthology. Story #10*****

Mostly because I couldn't connect with the characters.... up to the next!

Bev says

Quite a hot little novella from Havan, written as part of the 'Hot Summer Days' event 2011

Story about Dalton and Archer, and a temporary friend Kyle having some fun at 'The Sanctuary'. Told from Dalton's POV, the best part for me was **'I stood in the large room plotting my actions. I had changed into black leather pants, sans boxers, no shirt and a supple black leather mask that covered three-fourths of my face; think Phantom of the Opera meets Marquis de Sade. Thigh high lace up black boots completed my simple ensemble'....brain working overtime...!!**

Exina says

***Hidden Needs* is a very interesting story with a promising ending. Recommended!**

I want him. More to the fact, he's mine and he doesn't know it yet.
