An Unexpected Romance

As the CEO of Brooks International, Ryan Brooks has money, power and a sought-after family name. But here on his sister's ranch in Claremont, Alabama, the billionaire only wants to be loved for who he really is. So when small-town shop owner Maribeth Walton ignores him and his valuable business advice, he's determined to figure out why. Problem is, Maribeth knows he's not sticking around and she won't let him get close. Or could it be she's keeping a secret—one that may hold the key to why she's so reluctant to admit she's falling for the billionaire?

### **Darlene Torday says**

I wasn't sure I'd enjoy this book when it turned out the hero was a billionaire as seemed improbable that the heroine would be someone to attract a rich guy but the author managed to hook me almost immediately. The pace was just right and not rushed so that I could almost see and feel as if I was there watching the two people determined not to fall in love do the exact opposite. Definitely one you won't want to miss reading.

Maribeth Walton now makes her living with her own consignment shop n small town Alabama. Ryan Brooks has inherited his father's CEO position and his international business. Can they see past each others ;imitations for a future together>

Ryan Brooks is not your typical smug billionaire, his soul has as much depth as his bank account. He owns Brooks International after his father's passing, and feels a lot of pressure to make a name for himself. Maribeth Walton had a name for herself, and didn't like it. She moved to Claremont to start over. She now has a great faith and a great business. She owns Consigning Women and takes consignment clothes and turns them into celebrity inspired looks.

Ryan's trip back to Chicago is prolonged after falling off a horse while visiting his sister. He meets Maribeth and isn't sure if he only likes her creative business or if the business owner has more to do with his interest. Maribeth for a very specific reason doesn't want to be in the limelight that dating Ryan Brooks would entail, but sometimes the heart wants what it wants...

This was a great book and I will definitely be passing it along for others to read. Ryan and Maribeth we're adorable characters and I fell in love with the tiny town of Claremont.

I've been burned by Christian fiction before, so I was a bit wary of this book starting out, but I'm glad I gave it a shot. It's a sweet, crisp, fun romantic little venture, and thoroughly enjoyable for just what it is. Ryan and Maribeth have been burned before as well, and both are quite hesitant to get involved in something that could even hint of romance, but Andrews brings them together irresistibly... and quite sweetly as well.

Andrews strikes a great balance between making the faith of Maribeth and Ryan's awakening seem genuine without being hamhanded about it. A subtle faith is more effective than pulpit-banging, and I applaud the author for knowing how to craft a beautiful romance that has God in the midst, without alienating readers who may not agree on all points (though I, for one, consider myself Christian). I found myself thoughtful at many of Ryan's small epiphanies, and the little steps he takes, rather than some major personality change, are downright inspirational.

Don't go into this book expecting major crises and passion and tears. That's not what Love Inspired is about, and that's not what this book needs. It's a great example of fluffy, happy, trope-y goodness, and if that's what you're looking for, look no further. *Small Town Billionaire*'s got your back. ;)

A quick read. I liked that the book showed that small towns can be a healthy place to live. Also I liked that the book brought out that God forgives and that trust friends also forgive. Another important topic was addressed, that of the sex trade.

Sweet, sweet book! I really enjoyed the characters in this one. I've mentioned in other reviews that some of the books I've read lately contained so much drama that it was unreal. I think Renee Andrews got it just right in this one. Will definitely be looking for more from her!
