Steven Calandra says

Full of surprises!

Pretty suspenseful! I was stunned by the revelation of the enemies actually being the good guys and that the princess didn't need rescuing, she was right where she needed to be. Although this volume ended rather happily, the story did foreshadow the fall of Ulic Qel-Droma which I didn't expect so soon. Not a bad thing; I'm excited to see the reason why he'll turn to the Dark Side of the Force.
