## The Cinderella List Judy Baer

Since she was a child, Marlo Mayfield has kept a list of traits her Prince Charming must possess. After a series of bad relationships, Marlo's beginning to lose hope that her ideal man exists. But when she caters a party for Jake Hammond, Marlo realizes he could be the man she's been waiting for. There's only one problem: Jake is super wealthy, and Marlo's not sure she fits into his blue-blooded world. But Jake is determined to show Marlo that with a little faith and a lot of love, he just might be the one.

## **From Reader Review The Cinderella List for online ebook**

### **Gina says**

Though this book was written fairly well, I can't relate with the premise at all. It's another one of those 'I can't live a fulfilling life without a man' main characters. This one is not hidden behind a false veneer of the 'strong woman' archetype (don't get me wrong, I love a strong female protagonist). A good romance does not need a simpering, vulnerable woman in need of a manly 'hero' to sweep her off her feet for it to be classified as a romance.

---

### **Laura says**

#### **If you want happily ever after...**

Judy Bare writes an enchanting tale that will keep your interest peaked until the very end. Her characters come to life in such a way that you feel as though you're losing friends at the end of the book. And, she weaves her faith throughout the book in a gracious and believable way.

---

### **Donna says**

I didn't HATE this book, but I found the whole "misunderstanding" about Jake not knowing that Marlo believes he is "with" Sabrina impossible to believe. And the note Sabrina wrote to Marlo????.....puh-leese!!!! No way!!!

---

### **Joan says**

This was one of three Love Inspired books I bought to try out for my granddaughter. This was the best of the lot, but it was pretty simplistic and predictable. I don't imagine that she's going to care for it.

---

### **Mollie says**

Raspberry. Real life is not like this. Ever.

---

### **Eryca says**

This book is a great book for people who love romance... i love hallmark movies so this one was good for me... it had a happily ever after ending!!!! :) :) :)

---

**Wendy Sparkes says**

A modern and very enjoyable *Cinderella* story. Marlo has made a list of what she wants her Prince Charming to be. When she meets Jake, he fits the list...except that's he's very wealthy, and Marlo feels out of her depth.

I loved too the hippotherapy program (treatment or therapy assisted by a horse) and how it was incorporated into *Hammond Stables*. I had never heard of it before, so it was nice to find out about that and how it helps children build up muscle strength, the same muscle group they would need to use to be able to walk, sit or reach.

---

**Christina says**

Before I had ever read this book I thought real men were a thing of the past but after I was done I realized that they are out there but they are shadowed by our expectations. Our cinderella list.

---

**Sarah TheAromaofBooks says**

3.5/5

This was a happy little story with likable characters and minimal angst. A pleasant read.

---

**Veronica says**

This book had a lot of potential but kind of fell flat. There was too much going on. The story didn't flow as well as I would have liked.

---

**Marina says**

This book was so refreshing! I loved it. Classic clean love story.

---

**Mande Garrett says**

Beautiful story. I was like Marlo to an extent. I've been married and divorced. Then I made a small list of what I wanted out of a guy. It didn't really work for me. But I am so glad it worked out for Marlo and Jake towards the end.

---

### **Gabrielly says**

This book was cutesy and sweet. I love reading Christian books, it's very refreshing. It's a shame that in this book the writing wasn't the best and that there were a few points in the story that I found very hard to believe, and it kind of annoyed. But I still enjoyed it.

---

### **Just - The romance reader says**

A sweet and inspiring story. The characters are wholesome and down to earth, which is in true Judy Baer style.

The Cinderella List is a good weekend/vacation read for anyone who likes a happy ending, especially those ladies who were once little girls who dreamed of a Prince Charming.

---

### **Jill Twigg says**

Loved it!! This book was humorous as well as heartwarming. Loved the creativity of Marlo's character when hit with a challenge. Jake was almost too good to be true, but he definitely was Prince Charming. Great read!
