THiNK offers core content and pedagogy in a succinct magazine format to teach students the importance of overcoming feelings in order to opinions and commit to positions based on reason and logic. With extensive opportunity for application and practice, *THiNK* directs students toward skill development and skill application in their college studies, careers, and personal lives. The Connect course for this offering includes SmartBook, an adaptive reading and study experience which guides students to master, recall, and apply key concepts while providing automatically-graded assessments.

McGraw-Hill Connect(r) is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

SmartBook(r) - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.

Access to your instructor s homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.

Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.

The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.

Complete system requirements to use Connect can be found here: [http:](http://www.mheducation.com/highered/platform...)

Would recommend this book as a critical thinking textbook. Useful information. Found a questionable source cited, when the book was warning about questionable sources - that's a bit sad. Overall very recommended for clearer thinking.
