## **From Reader Review Western Dreams for online ebook**

### **Paige Turner says**

I liked the book but was hoping for something more. Most of Ryder and Megan's storyline focused too much on sex. I didn't feel like I learned anything about this couple. Most of the book focused on the above couple but only was longing for more Luke and Cassie. I loved their first book and was anxious to read more about them. They are one of my favorite couples. Right behind Adam and Karla

### **Darla says**

Such an awesome little Megan and Ryder & Cassie and Luke treat!!

---

### **Becca Reads says**

Fun to catch up with these characters!

---

### **Patti says**

This book must be read after book 6 in the series for you to enjoy the catching up of 2 amazing couples..Luke and Cassie, also Ryder and Megan. Loved the short stories of these 2 couples and what happens to them after their book!! Can never get enough of this series and love the way that Kallypso Master's writing pulls you in to her stories and you do not want to leave till it is done!! Great job and now on to Roar!! The next book written in this series!!

**iliana G says**

I was given an ARC by the author to read and beta read in exchange for an honest review.  
5 Short stories with Ryder and Megan and Luke and Cassie.  
Once again Kallypso Masters has given us an amazing collection and an inner glimpse in those couples lives!  
A great addition to her rescue me saga and an inner glimpse to more private moments of those couples.

**Amanda Vermaak says**

What a pleasant surprise. Yet again. You are exceptional miss Kally. To meet up with these characters again. It's like coming home for Christmas.

---

**Cécile Smits says**

Kallypso's books are always a treat and Western Dreams is no exception. Thoroughly enjoyed the journey and look forward to seeing more of the family. And it was good to see old friends again.....

Couple of short stories with Ryder and Megan - timeline taking place during Nobody's Dream and after. Ryder has come along way with his PTSD but still has a way to go. He and Megan are exploring more BDSM options to their sex life and they decide to settled down on Luke and Cassie's ranch with a new business endeavor between Ryder and Luke

There is one short story with Luke and Cassie. They to have come along way and we get a glimpse of how Luke's patients and training with Cassie has helped greatly.

Savannah and Damian also make and appearance which briefly mentions the upcoming trial of her sadistic father which will be a future book.

**Rose Nickol says****Amazing**

She's done it again. What wonderful set of stories. Heed the warning at the beginning of the book and grab a glass of ice water or a partner. You will need some relief when you're finished.

---

**Sandra says**

Ultra sexy and hot! Can't wait to read Gunnar's, Patrick and the rest of their stories!

---

**Claudia Baltazar Arensdorff says****Absolutely love it**

I've read all the books in the series and they are amazing, all these heroes stole a piece of my heart . Can NOT wait for the others, thank you so much for all these amazing book Kally ❤??

**Elaine Swinney says**

OMG....I loved this. Please, read the other books prior to getting this book. This is the continuation of two couples from the prior books. It is a quick easy read. Kallypso Masters is one of my go to authors. I know when I get a book of hers it will be a fabulous. I encourage each of you to get this book, it is worth your time and effort. This book is meant to give you information on some of the characters from other Kallypso Masters books. I really think your going to love this one. Another great read by Kallypso Masters.
