## Angel's Devil Suzanne Enoch

The lovely Angelique Graham knows her strengths - and patience is not one of them. So, instead of waiting nine months to wed her beloved Simon, as per her overprotective parents' edict, Angelique decides to use Simon's cousin, the dashing Lord Faring - rake of all rakes - just back from war, to throw her parents into a panic. After all, what parent in their right mind would want their daughter to be courted by the notorious Lord Faring? Though Angelique has plotted and planned every move...it seems love has a different plan. When the game playing gets serious...will Angelique be able to resist the charms of Lord Faring? And once she discovers the man underneath the legend, will she even want to? Fans of the traditional Regency will delight in this classic!

## From Reader Review Angel's Devil for online ebook

### Zel Polev says

It wasn't terrible but I didn't like it. I thought the heroine was really annoying towards the end. She expected James to put in all the effort in the relationship and complain when he doesn't. Well, what are you doing? It was really annoying and I felt sorry for James. He was trying to solve the issue and there she was, just waiting for him to do so. When the engagement for Simon was to be announced, she had a defeatist attitude and was really unsympathetic. If you really wanted him, you could have eloped. You could have done something other than going along with it. Her crying about it doesn't really gain my sympathy. The love she proclaimed she had just did not ring true especially since her actions spoke otherwise.

The story revolves around Angelique and James. Angelique is engaged to Simon, James' cousin. Their parents won't acquiesce to a hasty engagement though so James and Angelique come up with a scheme to hasten it. They would ask James for help. Seeing James' debauched behaviour might induce her parents to clutch onto Simon. Unfortunately, it soon becomes apparent that James and Angelique seems better suited. They agonize over this but little did they know, Simon was in love with Angelique's friend. There is this whole drama about the mother sending an announcement. James' ex popping up. It was just annoying because most of these dramas revolve around Angelique acting up. Since she refuses to do anything about the engagement, she proceeds to act shrewish and childish towards James. This was not an enjoyable read.

### Nina says

Overall this was a sweet romance. I loved the interaction between the main characters. I have to say the book was quite entertaining especially the banter between the heroine and hero. The heroine is definitely feisty and hero was a true rake with a heart of gold. I could feel the romance blooming between the two.

I gave the book three stars because I felt there were areas the author could have improved. The book was far too short; many of the scenes were rushed. I also felt the heroine at times was unnecessarily cruel to the hero. She said she loved him; than told him she hated him the next day. I'm not okay with abusive behavior especially in novels.

I did like this book; I tend to have a habit of not finishing books because I get bored or not into the story. I had a lot of enjoyment with the novel; it just wasn't my favorite.

---

### Linda says

Angelique is tired of waiting, being promised a wedding with Simon, but her parents won't go public with the engagement. That's when the couple comes up with a scheme including Simons cousin Lord Faring. Nothing bad ever came from scheming, right?

Angel didn't count on feelings, though.

James knew when he agreed to his cousins plans that he didn't agree with them, but he still wanted to help. Now he has to come to terms with his own feelings for Angel. What to do?

Historical romance, feelings and suspense in a great combo, listened to the audioversion and the narrator was

great as well.

---

### **Lita Bouquard says**

Funny historical romance about Angelique who is secretly engaged to Simon. Secret because her parents want to make sure she won't change her mind. Light hearted romance with dogs, kids, horses and fun. Simon's cousin knick named Devil returns from the war injured and wants to change his reputation by marrying. Simon and Devil's grandma is one of those great old lady characters who encourages romance with a lot of wisdom. Angel's brother and sister are funny and loveable. The plot was predictable but seeing how they got together was enjoyable especially meeting during a dog rescue.

---

### **Cherie says**

Both Angel and Devil are great characters. I thoroughly enjoyed reading their story. Angelique is a delight with her slightly hoyden personality and James has a devil's reputation but a pure heart. He was wounded in the war with Boney and walks with a limp. I tend to like stories where there is a physical impediment to perfection.

Even though I knew early on that a swap of partners was inevitable (she starts out engaged to the hero's cousin), I enjoyed the journey.

More than one adversarial character supplied additional texture and excitement.

---

### **Dpic says**

Enjoyable fluff

---

### **?? Carmen the Bootyshaker Temptress ?? says**

I found this book so much fun and enjoyable. What a twist of faith and the confusing fun in it as well.

---

### **Lynne Tull says**

Every once in a while I need to read a 'romance' from the past. This is one of those times and one of those books. It is an Avon Regency Romance published in 1995. Romance novels were written in a completely different style from today's Romance novels. The story is much simpler and shorter. For one thing the authors aren't adding multiple sex scenes to increase the page count. There is some romance, but a kiss is about as far as it goes. These books are a fast read and I can get lost in the romance for a short period of time. I also can read them at night and not have nightmares. I have been reading Phil Rickman's Merrily Watkins

mysteries. They are very dark and I don't like to read them before I go to sleep!

---

### **KP Pryce says**

If you want details of the story, buy the book because I do not do spoilers (or I try not to).

I'll tell you what worked for me, and what didn't.

The characters worked - beautifully. The hero was flawed but eminently likeable. The heroine was true to type as a young girl eager to wed the man of her daydreams, though the daydreams had as much substance as a fop's limp handshake (not a criticism by the way. Just a fact of life with teenaged girls, even today :))

The plot worked - an absolute treat! I liked the internal conflict the hero faced - he was the one at the center of the triangle, with both himself and his cousin wanting the heroine.

The pacing - spot on.

The length - appropriate. This was a good solid read that won't leave you feeling cheated.

Secondary characters were well drawn as well.

I particularly liked the hero. Of late, I seem to be coming across a lot of heroes who would be had up on sexual harassment charges if they were living in our time - and that isn't conducive to romance in my book (pardon the pun). But Devil was real and he was honourable.

I highly recommend this book to anyone who loves regency romances. It's got sugar, it's got spice, and it's got the magic that makes a romance leave you sighing at the end.

Enjoy.

---

### **Annette Meier says**

Kind of tame for Suzanne Enoch. The plot had merit, but seemed a bit scattered at times.

---

### **Oksana says**

Beautiful love story

---

### **Cara says**

Cute. Predicable but cute.

---

## Danielle says

This was a nice refreshing regency romance. No sex scenes, just humor, romance and regency mannerisms. The two main characters are totally loveable, you won't be able to resist. This book is what regency romances used to be - SIMPLY ABOUT ROMANCE!!!

---

## Linda says

James Faring, Marquis of Abbonley, finally returned home. After a less than pleasant past and a stint as a soldier, he had returned to England. He intended to earn some respectability and, eventually, a wife. He was finally ready to set up house.

Except now he met Lady Angelique Graham; his cousin Simon's *secret betrothed*.

Supposedly young and in love, their elders told them to wait before officially announcing their engagement. In order to get them to change their minds, they encouraged James to pretend he was enamored with "Angel". They felt his skittish past would quicken the marriage.

Except things backfired. For everyone.

ANGEL'S DEVIL is simply an enjoyable romance. I loved watching James and Angel secretly fall in love. Things began to unravel and Simon started to show his weaknesses. There was a gentleness with fire that the author gave her characters. I know, I know, it doesn't make sense but after you read this romance you will understand.

---

## Cornelia says

it was nice.

Angel is engaged to Simon but her parents decided to delay the nuptials. with the help of his cousin they hope to change that. The Devil starts his fake courtship...

I loved the kids.

I loved that there is no sex. I really can't stand these days historical romance when they have sex usually multiple times before the chap even actually proposes. the few consequences. that really annoys me.

there is no real drama, even when the ex shows up.
