DO YOU KNOW WHOSE LIVING NEXT DOOR?

Amber is a sexually frustrated housewife looking for a spark of passion in her life. This spark usually comes in the form of harmless flirting at the gym and erotic ebooks.

When her husband Nolan leaves on a business trip she has the house to herself - giving her plenty of time to indulge in smutty ebooks without any distractions.

Or so she thought...

When the house is invaded by a mysterious man, Amber will be FORCED to confront her deepest and darkest fantasies.

Will she resist or give in?
