## **Front Man: The Complete Trilogy** Adora Bell

All three parts of the captivating Front Man series, together in one volume! Get ready to have your world rocked...

Contents:

Front Man

Front Man: One Night In Paris

Front Man 3: Full Frontal

Jack Carter has it made. Rich, famous, adored by millions...but deep down, the ghosts of his past just won't let him go.

Sara has been in love with Jack Carter since he first exploded on to the music scene. Now she has the chance to meet the man of her dreams. She's about to learn that her idol isn't all that he seems.

Can this rock god find true love at last? Or will his world be torn apart? Secrets are about to be revealed...

Front Man: The Complete Trilogy contains scenes of a very sexual nature, and is intended for a mature audience.

### **Regina says**

This is first books I have read from this author. Of course the title got me, I love books about rock stars. But once I started, it got my interest. Jack is a trouble soul. His sister being missing his causing him so much guilt he can't move on happily. Sarah meets man of her dreams but he is holding himself back. At times he is selfish and cruel and just want slap him right up side his head. But when you stop you get he loves deeply and with all his heart. Sad to find out that most of this is caused by his best friend. I enjoyed this series and will read more of this author.

### **Amy says**

Sara has a crush on the hottest Rock Star right now, lead singer/front man Of Compass Jake!!!  
She gets to meet him, be with him in Paris, morn the end of a sweet start and help him with his personal demons. All in a days work for our Sara :)  
Really good story and Hot Love scenes

---

### **Liz Lawson says**

Love story of troubled rock Star Jack and Sara. I felt the story was rushed but enjoyed the read.

---

### **Kat says**

I got this trilogy free and loved it. Great story and loved all the twists.

---

### **Sarah says**

I'm not gonna lie. I hoped for a little more.

We didn't see the development of their relationship. There were scenes that weren't really necessary and didn't add anything to the story.

---

### **SB CS says**

Not what I expected of a rocker book, however the story was interesting.

---

### **Paige Whitecotton says**

Always love a good rock star love story!!

---

### **Jenny Miller says**

Not quite what I expected, given how promoted it has been on facebook. Story was very cut & dry - lacked depth.

---

### **Charity says**

I am a sucker for good rock star stories. This one had some good parts, but it ultimately lacked depth. I didn't feel emotionally connected to the characters and I didn't feel like Sara had much of a connection with Jack. He was overly needy.

I do however really like how the epilogue was done, the article was a great way to sum everything up. I was just sorry we didn't get to actually see that develop.

This trilogy adds up to be about 113 pages--which is ridiculous to sell in 3 separate stories so I am glad it was put together, just wish there was more depth to the story.

awesome really fell in love with jack....

cant really complain with this story thou...

because im an enthusiastic read so i finish things fast.... basicly it could have been longer @)

STILL AWESOME THOU XOXO
