WTF just happened?! I leave this place for 5 minutes and then BOOM plot twist!
That was an awful cliffhanger. I want to know more about this ridiculously old guy related to Dick. And the traitors. Need answers!

OMG... comienza el arco de la Corte de los Búhos, uno de los episodios más emocionantes.

Me encanto ese salto del pasado al presente, es una forma de hacernos sentir empatia por el nuevo villano. La referencia al circo Haley fue sublime, me emociono. Todo va encajando.

Mi Dick en problemas, espero que la BatiFamilia se haga presente.

Un 4.5/5
