"Threat of Peace" unveils a galaxy on the brink of destruction three hundred years after the events of Knights of the Old Republic! For decades, the Galactic Republic and the Sith Empire have been at war-the Sith have gained control of the Outer Rim, but their efforts to penetrate the Core Worlds have so far been thwarted. Now, representatives from both sides attempt to negotiate a peace treaty-but deception by the Sith puts the Jedi in an unfortunate position.

Very good comic.

I thought the story is very thought out. Have to read the next one. Every one should read it now.

Great Start To the Old Republic

A wonderful beginning to the (how to word this correctly) beginning of Star Wars. This graphic novel really shows the struggle between the Sith and the jedi as they begin their fight against each other.
