EMBER

Quinn O'Malley--a princess among kings.

My life was an enchanted dream.

Opulent parties.

Designer clothing.

Charming men.

But when my father dies, my glittering world implodes.

I am weak. Naked. Vulnerable.

A lamb among wolves.

My life is no longer enchanted. My life is no longer a dream.

My life is a nightmare, and my only hope is a man who's determined to fight my demons like they're his own.

Only, in the quiet of the night, I worry he isn't my savior.

He is my destruction.

BURN

Quinn O'Malley--a pigeon among hawks.

I believed his quiet lies.

His golden promises.

His vows of devotion.

But now I'm in his clutches. The more I struggle, the tighter his grip.

He will not let me go.

He claims I belong to him.

I never will.

I belong to one man--the man who still torments my dreams--Sasha Petrovich.

Our love is wildfire and we will burn it all to ashes.

ASHES

Quinn O'Malley--a queen among warriors.

I'm safe in the arms of the man I love.

We have the chance at a future, but first we have to make it through our present.

Another man has come between us; another man's memory lingers in our bed.

He wants one thing: to see Sasha die.

Sacrifice for a sacrifice.

My life for his.

Fairy tales are for little girls.

Please Note: The Ember Series is a spinoff of the SINS of the Rex series. Though the Ember Series can be read as a standalone, it is suggested you read SINS of the Rex first.
