## **Trouble Times Two (Minnie's Bow-Toons) Bill Scollon**

Famous movie star Penelope Poodle has come to Minnie's Bow-Tique to find something perfect to wear. But Minnie's excitable twin nieces, Millie and Melody, may make that impossible! There's no shopping in peace with the mischievous twins around! Will Minnie come up with the winning outfit? Will Penelope make it to the award ceremony in time? Hold onto your bows, because when the twins come to visit, it's Trouble Times Two!

## **From Reader Review Trouble Times Two (Minnie's Bow-Toons) for online ebook**

### **Victoria Schwimley says**

#### **Okay story**

Okay story, but there was a black bar across the bottom that blocked part of the text. I thought it might be an issue with the settings on my Kindle, but I was unable to access the settings menu. It didn't completely hold my granddaughter's attention, and she is a Minnie tank and loves books read to her.

### **Jacob Krieger says**

#### **You can't read half of the words**

Was excited for this book but once we started reading it we quickly discovered that the words are half off the page

---

### **Kristen says**

This was a cute book. Brooklyn loves Mickey and Minnie, so when I saw this at the library, I knew I had to check it out. It's a cute book about Minnie's twin nieces (I didn't even know she had a sibling??) who come to hang out with her and make a mess of things when the famous Penelope Poodle comes. Of course it all works out in the end. Brooklyn loved pointing at Minnie and the twins (who looked like Minnie), so she enjoyed this book. It was cute and not too long. I will continue to look for Mickey and Minnie books at library because they're cute and Brooklyn sure enjoys them.

### **cyprianna rolle says**

#### **Good story**

Good story but some of it was blocked by the Black thick lines which made it hard to read. Otherwise good story.

---

### **Darcy says**

#### **Finally a well-formatted Disney book!**

Finally a Disney book formatted so you can actually read it!

Check them before you buy them. Most of them are worthless due to terrible formatting of the kindle

version.

---

### **Sony Doshi says**

#### **Amazing and Wonderful**

It was very good and Fantastic. I love Mickey mouse and Donald duck .Their books are always very good and amazing.

---

### **Rosa Cline says**

Minnie's twin nieces come for a visit and they promise to be good (when generally they are very adventourous) Daisy comes in and says a famous television star was coming in but she was promised a quite visit. Things start tumbling down and become confusing and going wrong until Minnie sees what the twins have made and the star looks and loves her new outfit.
